Memes Today Etsy This Week:

The Summer Switch-Off Beth Reekles, 2023-05-11 There's no better way to celebrate the start of beach season than with a brand new beach read and if anyone can give us the perfect book for it it's Beth Cosmopolitan.com Luna, Rory and Jodie are supposed to be having the time of their lives but instead Luna thought her first year at uni was perfect until her relationship ended and her old school friends seem to be ghosting her. Rory's true passion is art and promoting it on her social media but she wants to fit in with her sensible family so she's signed up to study law. It feels like the right thing to do though her heart is saying otherwise. And as for Jodie she's put her all into getting top marks at uni but she can't remember the last time she's let her hair down and had some fun. Her life is great on paper but she's exhausted and headed for burnout. In desperate need of an escape the girls book themselves on a holiday that's meant to be perfect for solo travellers. But the idyllic resort of Casa Dorada is actually a digital detox retreat which means NO PHONES. And that's not even the biggest disaster waiting for them. Will it be a summer the girls will never forget or one they'd rather not remember? A sweet, funny, relatable coming-of-age story from bestselling author Beth Reekles, author of *The Kissing Booth*, perfect for fans of Beth O'Leary and Emily Henry.

The Meme Book By Mobo Gallery, 2015-10-28 The Meme Book is a funny coffee table book a way to share your favorite memes with your technophobe grandma or a comment on the times. It can be all or none of these things. This collection of memes pulled from the Internet and framed in the book is funny and fun. The purpose of this volume is simply to curate some of the funniest memes and to raise a discussion about this new form of art. Is it really new? If so what is novel about it compared to other editorial forms of art? How can we approach this sociologically? What can this collection of provocative memes show us about the future and about the present? What does this curation add to existing conversations about art? How can memes exist as fingers on the pulse of today's youth? Will these memes stand in the long term as examples of twenty-first century culture or will this volume stand as the only evidence that they ever existed?
