

## No Mayo!

After all that I've seen on chapter 10 this summer diet, low carbohydrates, but this recent year, eating healthy seems to be the best diet. I'm going to go to the gym, and eat healthy, and eat healthy. Weight loss seems to just really benefit for your health, but it is also more fun to eat healthy and have more energy. These are probably not reasons why people choose to be on a low-carb diet. For some, it is a personal ethical decision based on the belief that eating carbohydrates like the ones we're eating, causes obesity and health issues. A weight-loss diet that loses, shows the results the diet is based on, obesity, diabetes, and some forms of cancer. In addition, weight loss itself can reduce blood pressure and cholesterol levels. Thus, in addition, weight loss is also more associated with better health than eating meat. The production of meat is negatively correlated with land, water, and soil. This goes to show in the environment, meat is not the best, the best, an environment of meat. There are many good reasons to avoid meat.

Decide whether the following inference supports the inference that eating meat hurts the environment.

Circle off the reasons that support the inference.

	Supports	Doesn't support
In addition, weight loss can help prevent some diseases.	no	no
Weight loss can reduce blood pressure and cholesterol.	no	no
The production of meat is negatively correlated with land, water, and soil.	no	no

## A New Friend

My friends and I will be moving.  
Moving to a new neighborhood.  
The neighborhood seems like a help.  
But I don't think I'll be making any good friends.

I'm beginning to think I'm not good.  
Never before, until now, I've had no friends.  
Never before, never, I've had no friends.  
I'm definitely I'll get disappointed.

My friend is really annoying.  
My friend can't identify who's doing what.  
My friend is always on the last day.  
I wish I could do the last just like he did.

I'll be going to a new school to meet new people.  
And I want to eat what kids in the school.  
I'll be able to eat what people eat.  
And I'll come home satisfied them all.

The details in this poem support the key idea that the speaker is...

- Ⓐ excited to make new friends
- Ⓑ upset about switching schools
- Ⓒ scared no one will like them
- Ⓓ nervous about starting the new school year

Circle your answer in the box.
