**The Everyday Lives of Children Who Have Experienced Domestic Abuse** Brenda Herbert, 2026-02-19 Discussions on children who have experienced domestic abuse often focuses on trauma and risks and little is known about their lives beyond abuse This risks pathologising children and reinforcing colonial and patriarchal social norms This groundbreaking book challenges dominant narratives by drawing on an 18 month multimodal ethnography with children in an inner London borough Offering a radical and holistic perspective on children's personhood this book situates their everyday lives within broader global debates on childhood decolonisation and social justice It engages with the works of Black feminist decolonial and Indigenous scholars calling for a fundamental rethinking of how we support and understand children who have experienced domestic abuse

*Child Protection and Safeguarding Technologies* Maggie Brennan, Andy Phippen, 2019-08-22 This book explores through a children's rights based perspective the emergence of a safeguarding dystopia in child online protection that has emerged from a tension between an over reliance in technical solutions and a lack of understanding around code and algorithm capabilities The text argues that a safeguarding dystopia results in docile children rather than safe ones and that we should stop seeing technology as the sole solution to online safeguarding The reader will through reading this book gain a deeper understanding of the current policy arena in online safeguarding what causes children to become upset online and the doomed nature of safeguarding solutions The book also features a detailed analysis of issues surrounding content filtering access monitoring surveillance image recognition and tracking This book is aimed at legal practitioners law students and those interested in child safeguarding and technology

web the magnetic field force produced by an electromagnet called the magnetomotive force or mmf is proportional to the product multiplication of the current through the electromagnet and the number of complete coil turns formed by the wire

introduction to magnetism video khan academy - Mar 30 2022

web yes electromagnetism is one of the most common sources of power on the earth the earth is constructed with a north and south pole and a inner core made up of metallic composites presumably and largely iron the magnetic field around the earth is driven largely by this source of electromagnetism

magnets magnetism and electromagnetism aqa synergy bbc - Aug 15 2023

web magnetism and electromagnetism magnetism is due to the magnetic fields around magnets the fields can be investigated by looking at the effects of the forces they exert on other magnets

magnetism national geographic society - Feb 26 2022

web nov 14 2022 magnetism is the force exerted by magnets when they attract or repel each other magnetism is caused by the motion of electric charges every substance is made up of tiny units called atoms each atom has electrons particles that carry electric charges spinning like tops the electrons circle the nucleus or core of an atom their

magnetism and electromagnetism everything you need to - Jan 28 2022

web dec 3 2019 magnetism is the force present in and between all objects that is produced by the motion of electrons and that results in the attraction and repulsion of different objects it is a noncontact force that affects every single different object in the world to a greater or less extent and that is the result of the movement of these

electromagnetism guide for ks3 physics students bbc bitesize - Dec 27 2021

web an electromagnet uses an electrical current to generate a magnetic field there are three ways to strengthen an electromagnet increasing current increasing the number of turns of the coil
