Impara,Barbara S. Plake,1999 Customers who place a standing order for the Tests in Print series or the Mental  
Measurements Yearbook series will receive a 10% discount on every volume To place your standing order please call 1 800  
848 6224 in the U S or 919 966 7449 outside the U S Designed to complement the Mental Measurements Yearbooks Tests in  
Print fills a pressing need for a comprehensive bibliography of all commercially available English language tests in print  
Although these volumes are useful in and of themselves their maximum usefulness requires the availability and use of the  
Mental Measurements Yearbooks Although information on available tests and specific test bibliographies is valuable the  
greatest service which Tests in Print can perform is to encourage test users to choose tests more wisely by consulting the  
MMY test reviews test reviews from journals and the professional literature on the construction use and validity of the tests  
being considered Although information on available tests and specific test bibliographies is valuable the greatest service  
which Tests in Print can perform is to encourage test users to choose tests more wisely by consulting the MMY test reviews  
the excerpted test reviews from journals and the professional literature on the construction use and validity of the tests being  
considered Tests in Print V contains information on over four thousand instruments Along with a brief description entries  
include population scoring pricing publisher information and a reference list of professional literature citing articles relevant  
to individual instruments Indexes of titles classified subjects names and scores as well as a publishers directory and index are  
included with notations for out of print instruments Information is given for tests in a wide range of areas including  
education psychology counseling management health care career planning sociology personnel child development social  
science and research Tests in Print V also provides a comprehensive index to the Mental Measurements Yearbook by  
directing readers to the appropriate volume or volumes for reviews of specific tests    **Resources in Education** ,1996
