Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. **Field and Stream**, 1961 A Practical Guide to Paying off Your Mortgage Early Lien Luu, Sukanlaya Sawang, 2024-10-22 Owning a property is a dream for many people, and borrowing from banks is often essential to achieve this. However, having a mortgage can cause real anxiety because of the latent fear of losing our home if we cannot keep up with mortgage payments. Traditionally, homeowners repay their debt over 25 years, but high house prices have made it necessary to increase the term up to 40 years to make monthly payments affordable. Spreading the debt over a longer period of time not only means that borrowers have to pay more interest, but they are also exposed to other risks, such as potential interest rate rises and changes in personal circumstances affecting their mortgage eligibility. These can lead to financial worries, financial stress, and reduced well-being. There are few practical guides available to show borrowers how to manage their mortgage debt more effectively and how to repay their mortgage quickly so that they are debt-free. This book seeks to empower consumers, young and old, by providing a roadmap to help borrowers achieve financial security through planning for the future, insuring their income, and setting up an emergency fund. It also outlines simple strategies for an early repayment of debt, including paying off the capital, making extra payments, and monitoring their mortgage debt. In doing so, it aims to help readers improve their general well-being, enhance their financial security, reduce their financial worries, and eliminate their mortgage insomnia. *Cue*, 1971 **The Billboard**, 1950 **Wallaces Farmer**, 1975 Railroad Age Gazette, 1883 **Railroad Gazette**, 1883 The Breeder's Gazette, 1885 **Social Agenda**, 2002 *The Economist*, 2007 Engineering and Mining Journal, 1883 **Business Week**, 2007 **The Country Gentleman**, 1907 **The Oil and Gas Journal**, 1948 *CI: Candy Industry and Confectioners*
