Chatgpt Promo Code Today:

The Hitchhiker's Guide to AI Arthur Goldstuck, 2023-12-01 For the past decade Arthur Goldstuck has had a front row seat to witness the remarkable rise of AI across all sectors of business and society. As generative AI becomes a household phrase and sparks hopes and fears of machines augmenting or replacing human beings, this guide offers an invaluable overview of the past, present, and future of AI. *The Hitchhiker's Guide to AI* is aimed at both beginners and those who consider themselves experienced or skilled at using AI. It draws on many years of direct access to global and regional leaders in using AI from Africa to the Middle East to North America to Europe and Asia, and it provides unique perspectives on generative AI as well as practical advice for using it. It is useful for consumers, academics, professionals, and anyone in business who wants to get up to speed quickly and practically. It also entertains and inspires anyone who is curious about AI or already engaged in its possibilities. Need to understand or refine prompting? You're in the right place. Need to prepare for the coming impact of AI on health, travel, education, and business? This is the book for you.

Blockchain and AI Niaz Chowdhury, Ganesh Chandra Deka, 2024-05-24 In the rapidly evolving landscape of the digital age, two technologies stand out for their transformative potential: Artificial Intelligence (AI) and Blockchain. This book offers an incisive exploration of the confluence between these technological titans, shedding light on the synergies, challenges, and innovations that arise at this intersection. The chapters explore thought-provoking analyses informed by cutting-edge research and expert perspectives that navigate the nuanced interplay of decentralized ledger technology and intelligent systems. From potential applications in teaching and learning, finance, healthcare, and governance to ethical considerations and future trajectories, this volume serves as an essential compendium for scholars, professionals, and anyone keen to grasp the future of digital innovation.

Bridging Digital Innovation and Technology for Business Transformation—ICTIM Haitham M. Alzoubi, Anwar S. Al-Gasaymeh, Srinidhi Vasudevan, 2025-11-29 The book explores how emerging technologies transform industries and reshape modern business practices. It provides valuable insights into the integration of innovations across various sectors, making it an essential resource for academics, professionals, and students. Also, the book begins by examining educational technologies, focusing on how digital tools such as AI, blockchain, and telemedicine are revolutionizing the learning experience and healthcare delivery. It highlights the increasing role of technology in improving student engagement, satisfaction, and outcomes in educational settings. Furthermore, it explores the significant impact of social networks and digital marketing on societal change and consumer behavior. It analyzes how these platforms influence public opinion, political participation, and corporate reputation, offering a critical understanding of the digital landscape's influence on modern communication. Legal and ethical challenges in the digital era are also a key focus, with discussions on topics such as digital copyright, privacy concerns, and the legal implications of internet crimes. This part provides a thorough examination of the evolving legal framework required to navigate the complexities of the digital age. In addition to the power of big data and predictive analytics, exploring how these

tools are being used to optimize business operations and enhance decision making processes. It underscores the strategic importance of digital transformation for achieving business growth and effective governance in today's competitive environment. Overall, Innovation Technologies and Business Management presents a comprehensive overview of how innovation and technology are driving change across industries, offering practical insights and strategies for leveraging these advancements in business management.
