Mr. Robert Lamm  
Marketing Director  
Brightbox  
123 Market Street, Suite 100  
Seattle, WA 98101

Dear Mr. Lamm,

I'm excited to apply for the Content Marketing Specialist position at Brightbox. After I read that a cover letter is required, I saw it as a great opportunity and personal chance to showcase why you can look like the right person for my marketing position.

For the last three years, I've held various content marketing at a B2B company focused on performing user research and creating strategies that increased organic traffic by 50% and contributed directly to a 12% year-over-year growth in revenue, though what might not seem obvious were the opportunities for continuous improvement with each of these four focuses: research, content strategy, Brightbox relationships, and brand and product voice.

What stood out to me in your job description was your emphasis on experimentation and creative collaboration. I believe in that kind of environment, as they were all my favorite projects requiring learning and focus on creative freedom to better understand what resonates with our audience. It taught me how to open myself and continuously learn the right way to bring that creativity to your team.

I would like to contribute to Brightbox's mission with my ability to grow as a content manager. Thank you for the opportunity to learn.

Best regards,  
Jamie Chen
