Internet Memes and Copyright Law Brian Chun Lok Leung, 2025-09-30

This book explores the intricate relationship between copyright law and internet meme culture challenging an assumption that copyright is a barrier to digital creativity Using the lens of internet memes to analyse copyright law in the context of participatory remix culture the book confronts a common perception that copyright is the destroyer of internet memes on social media platforms Following the European Union's Copyright Directive widely known as the Meme Ban this book critically examines whether copyright might instead be reimagined to foster rather than inhibit re creations that define internet meme culture The book argues that this culture directly challenges copyright's core assumptions and proposes a new holistic approach to copyright that distinguishes between traditional and emergent forms of creative processes Arguing for a flexible interpretation of copyright that limits private proprietary rights in the case of internet memes it provides a legal framework to support socio cultural discourse without undermining copyright's foundational principles Covering core copyright concepts such as authorship idea expression originality fair dealing and user rights the book provides a compelling argument as to how copyright can adapt to the digital age as a protector of cultural expressions ensuring that internet memes are not only preserved but celebrated The book will be of interest to researchers in the field of copyright law the law of emerging technologies and intellectual property law

The Psychology of Virality: Cracking the Code of Online Fame Divyam Agarwal, 2025-05-31 The Psychology of Virality Cracking the Code of Online Fame delivers a clear and insightful journey into the mechanisms that shape digital attention influence and rapid content spread Drawing from psychology neuroscience storytelling and platform dynamics the book explains why people share how emotions drive engagement and what makes certain ideas explode across the internet It distills complex concepts into practical

insights that creators marketers and brands can immediately apply while also examining the cultural ethical and technological forces that define modern virality Designed for anyone looking to understand or leverage the attention economy this book offers a strategic human centered perspective on achieving meaningful impact in an ever evolving digital world

Becoming Human Amid Diversions Andreas Ervik,2022-11-15 This book develops a philosophy of the predominant yet obtrusive aspects of digital culture arguing that what seems like insignificant distractions of digital technology such as video games mindless browsing cute animal imagery political memes and trolling are actually keyed into fundamental aspects of evolution These elements are commonly framed as distractions in an economy of attention and this book approaches them with the prospect of understanding their attraction from the starting point of diversions Diversions designate not simply shifting states of attention but characterize the direction of any system on a different course a theoretical perspective which makes it possible to investigate distractions as not only by products of contemporary media and human attention The perspective shifts from distractions as the unwanted and inconsequential to considering instead the function of diversions in the process of evolutionary development Grounded in media theory but drawing from diverse interdisciplinary perspectives in biology philosophy and systems theory this book provocatively theorizes the process of diversions of the playful stupid cute and funny as significant for the evolution of a range of organisms

Stance-Taking in Embodied and Virtual Interaction Geert Brône,Kurt Feyaerts,Elisabeth Zima ,Silva H. Ladewig,2025-08-28 A fundamental property of human language is its ability to simultaneously represent subjects objects or events and express the speaker's stance towards these representations The notion of stance taking involves a positioning along three different axes epistemic the distribution of knowledge e.g. by expressing certainty or uncertainty affective the expression of attitudes and feelings and deontic the expression of desirability or necessity of an action Psycho linguistics and neighboring fields have a long track record in the study of stance taking as a socially contextualized and recognized interpersonal phenomenon focusing on the lexical and grammatical resources that language users have at their disposal to communicate stance but also on the cognitive processes underlying this positioning In addition the phenomenon has been studied extensively in different communicative settings from spontaneous face to face communication to institutional and mediated forms of interaction from different disciplinary angles Interactional Linguistics Ethnomethodology Cognitive Psychology HCI Research etc and using different empirical methods from controlled experiments to qualitative and quantitative corpus analysis

Memes to Movements An Xiao Mina,2019-01-08 A global exploration of internet memes as agents of pop culture politics protest and propaganda on and offline and how they will save or destroy us all Memes are the street art of the social web Using social media driven

movements as her guide technologist and digital media scholar An Xiao Mina unpacks the mechanics of memes and how they operate to reinforce amplify and shape today's politics She finds that the silly stuff of meme culture the photo remixes the selfies the YouTube songs and the pun tastic hashtags are fundamentally intertwined with how we find and affirm one another direct attention to human rights and social justice issues build narratives and make culture Mina finds parallels for example between a photo of Black Lives Matter protestors in Ferguson Missouri raising their hands in a gesture of resistance and one from eight thousand miles away in Hong Kong of Umbrella Movement activists raising yellow umbrellas as they fight for voting rights She shows how a viral video of then presidential nominee Donald Trump laid the groundwork for pink pussyhats a meme come to life as the widely recognized symbol for the international Women's March Crucially Mina reveals how in parts of the world where public dissent is downright dangerous memes can belie contentious political opinions that would incur drastic consequences if expressed outright Activists in China evade censorship by critiquing their government with grass mud horse pictures online Meanwhile governments and hate groups are also beginning to utilize memes to spread propaganda xenophobia and misinformation Botnets and state sponsored agents spread them to confuse and distract internet communities On the long winding road from innocuous cat photos internet memes have become a central practice for political contention and civic engagement Memes to Movements unveils the transformative power of memes for better and for worse At a time when our movements are growing more complex and open ended when governments are learning to wield the internet as effectively as protestors Mina brings a fresh and sharply innovative take to the media discourse

The New York Times Magazine, 2010 **The Book of F*cking Hilarious Internet Memes** Richard Face, 2012-01-13

WHAT THE HECK IS AN INTERNET MEME Meme pronounced meem An idea belief or element of social behavior spread that is transmitted from one person or group of people to another This word was coined in the 70s by Richard Dawkins the atheist godman worshipped by neckbeards everywhere Simply put Internet memes are memes that spread on the Internet through social networking sites blogs email news sources and so on In the real world they're called ideas but pseudo intellectuals prefer memes

WHERE DO INTERNET MEMES COME FROM Amongst all the stupid crap on the Internet are hilarious gems of wit and wisdom Most of the best memes start as images shared on the Web and by some great misfortune they find their way into the lecherous hands of drunken basement trolls who mutate these images into the hilarious the lame and sometimes the downright bizarre

WHAT IS THIS BOOK This book will take you on a bizarre journey through the bilges of the Internet and introduce you to 23 of its funniest and most popular memes complete with a sh tload of images that might just make you wet your panties On this journey you will share lulz with unsavory characters like Foul Bachelor Frog Socially Awkward Penguin Paranoid Parrot Courage Wolf Advice God Joseph Ducreux Hipster Kitty Inglip Successful Black Man Forever Alone Bill O Reilly And more Scroll up and click the Buy button now to laugh your ass off at the twisted hive mind of the Internet underworld

Word Vs. Image Ellen Spolsky, 2007-02-15 This cognitive study of the Reformationist struggle between word
