Advances in Data Science and Computing Technology Suman Ghosal, Amitava Choudhury, Vikram Kumar Saxena, Arindam Biswas, Prasenjit Chatterjee, 2022-11-24 This volume helps to address the genuine 21st century need for advances in data science and computing technology. It provides an abundance of new research and studies on progressive and innovative technologies including artificial intelligence, communication systems, cyber security, applications, data analytics, Internet of Things, IoT, machine learning, power systems, VLSI, embedded systems, and much more. The book presents a variety of interesting and important aspects of data science and computing technologies and methodologies in a wide range of applications including deep learning, DNA cryptography, fuzzy MPPT controller, driving assistance, and safety systems. Novel algorithms and their applications for solving cutting edge computational and data science problems are included, also for an interdisciplinary research perspective. The book addresses recent applications of deep learning and ANN paradigms, the role and impact of big data in the e-commerce and retail sectors, algorithms for load balancing in cloud computing, advances in embedded system based applications, optimization techniques using a MATLAB platform, and techniques for improving information and network security. **Advances in Data Science and Computing Technology: Methodology and Applications** provides a wealth of valuable information and food for thought on many important issues for data scientists and researchers, industry professionals, and faculty and students in the data and computing sciences.

The 80 Minute MBA Richard Reeves, John Knell, 2013-03-28 Slick, short, funny, and focused. And more than 4,000 times cheaper than an MBA. Independent. The 80 Minute MBA is your short cut to business brilliance. A traditional MBA is for either the time-rich, very wealthy, or lucky few with a generous corporate sponsor. So what happens if you want to get a hit of high quality business inspiration without spending two years back at school? The 80 Minute MBA is the gateway to fresh thinking in less time than it takes a standard meeting to get past coffee and biscuits. Managers need the encouragement to think differently, not in the same straight lines. The 80 Minute MBA is an injection of inspiration, creative thinking, and dynamic approaches which will help you see the world of business differently. *Licensing Update 2012* Gregory J.
