The Belt and Road Initiative Francisco José B. S. Leandro, Paulo Afonso B. Duarte, 2020-03-03 This book is an analysis of the developments associated with the Belt and Road Initiative B RI five years after Xi Jinping announced both the Silk Road Economic Belt SREB and the 21st Maritime Silk Road 21MSR Together these two dimensions constitute the B RI providing the so called Chinese project of the century with regional inter regional and global reach This book aims at assessing the impact of the B RI in all these dimensions and levels of influence This is a current and promising theme not only in the short and medium terms but also within a broader timescale reflecting Chinese strategic thinking itself since Chinese philosophy and culture are oriented towards long term and inter generational perspectives Likewise both the title of this publication and the way it has been organized result from the empirical perception that China asserts a conservative attitude towards foreign affairs redesigned in multiple dimensions to create a perception of domestic unity and global prestige In this vein of thought the B RI is already influencing and will continue to influence directly or indirectly the current economic and political order
