McCants,2018-08-28 Based on his own experience and others who were entrenched in the university athletic system Rashad
reveals how academic fraud continues to steal a real education from young black athletes Rashad recounts his own journey
as an athlete student seeing the talent of his idols like Michael Jordan and Kobe Bryant and then paving his own path of
success all the way to the UNC 2005 basketball championship Rashad doesn't just explain the problem He offers viable
solutions for how athlete students can conquer the system and take charge of their own sports and educational destiny He
provides examples of others who are blazing a trail toward a better future for athlete students By confronting readers
between the eyes with the truth of the generational slavery system this controversial and necessary book calls for a social
and academic overhaul that is desperately needed within the NCAA and university athletic system *The Sporting News*
