Internet Dating Chris Beasley,Mary Holmes,2021-05-16 Internet Dating deals primarily with the experiences of UK and Australian daters examining their online accounts to see what kinds of narratives norms emotions and chemistry shape their dating Has the emergence and growth of internet dating changed the dating landscape for the better Most commentators popular and academic ask whether online dating is more efficient for individuals than offline dating We prefer a socio political perspective In particular the book illustrates the extent to which internet dating can advance gender and sexual equality Drawing on the voices of internet daters themselves we show that internet dating reveals how social change often arises in the unassuming everyday and familiar We also pay attention to often ignored older daters and include consideration of daters in Africa Scandinavia South America Asia and the Middle East Throughout we explore the pitfalls and pleasures of men and women daters navigating unconventional directions towards more equitable social relations

Catherine Hakim,2015-11 Could the web be changing the very nature of the bond between the sexes While eighty per cent of those interviewed in polls say that affairs are wrong the percentage who admit to having had an affair in the past has doubled every ten years to 2010 Aided for the first time by frank interviews conducted with those who use websites dedicated to married people this book seeks to uncover the secretive world of affairs that do not destroy marriages Looking at the latest data Catherine Hakim traces a new faultline where the power between men and women is shifting in our increasingly sexualized culture

Reimagining Legal Pluralism in Africa ,2024-06-03 This collection challenges the prevailing conflict of laws approach to the interaction of state and indigenous legal systems It introduces adaptive legal pluralism as an alternative framework that emphasises dialogue and engagement between these legal systems By exploring a dialogic approach to legal pluralism the authors shed light on how it can effectively address the challenges stemming from the colonial imposition of industrial legal systems on Africa's agrarian political economies

### The Structure of Digital

Partner Choice Andreas Schmitz,2016-11-01 This work approaches the modern phenomenon of online dating examining the ways people make use of its technical and social potential In particular the users mate preferences choices strategies and interactions are analyzed using the innovative method of click stream observations and web questionnaire data For the purpose of these analyses two major theories are used an explicit theory of individual mate choice and the more general relational theory developed by Pierre Bourdieu which helps to highlight the social structures both underlying and resulting from mating online Results show that online dating is not a partner marker free from social structure but that the traditional social conditions found offline are also reproduced in this virtual setting In contrast to the picture drawn by media discourse and advertising online dating represents a partner market which fulfills the promise of happiness in a socially differential way

¿Y ahora qué hacemos? Alejandra Godoy Haeberle,Antonio Godoy Delard,2019-03-01 De esta manera se puede abordar terapéuticamente los episodios de infidelidad en la pareja Qué entendemos por infidelidad Han aumentado las infidelidades en el último tiempo Quien fue infiel lo volver a ser Una pareja se puede recuperar después de una infidelidad Estas y otras preguntas que muchos nos hemos hecho por favor de respecto de la infidelidad son las que responden los psicólogos Alejandra y Antonio Godoy especialistas en pareja y sexualidad A través de análisis de numerosos casos y de una extensa revisión de investigaciones los autores abordan uno de los temas más complejos que viven algunas parejas la infidelidad y cómo abordarla para evitar un quiebre Con una vasta base práctica y a partir del estudio de ejemplos muy actuales Alejandra y Antonio Godoy ofrecen una nueva mirada la cual puede servir como guía para parejas terapeutas comunicadores y para todos aquellos que quieran orientar a aquellas que están pasando por esta compleja situación como lo es una crisis pos-infidelidad Nuestro principal objetivo es entregarles una mirada amplia y desprejuiciada que los ayude a derribar el sinnúmero de mitos que prevalecen al hablar de infidelidad Para ello procuramos exponerles desde distintos ángulos los hallazgos más relevantes basados tanto en información práctica como en nuestros años de experiencia clínica Tenemos la esperanza de que ahora están más dispuestos a dejar de lado sus creencias tan arraigadas y generen nuevas interpretaciones que los conduzcan no solo a evitar la separación sino también a fortalecer su relación aseguran los expertos en su libro Como ellos mismos plantean la idea es entregar una visión más amplia respecto de la infidelidad y persuadir a quienes la han vivido de que esta problemática no puede ser vista desde categorías como bueno y malo y de que no existen verdades absolutas en este asunto Es posible que al final queden más preguntas y cuestionamientos en el aire que respuestas y aseveraciones lo que puede ser una tremenda oportunidad para enriquecer el diálogo de la pareja

**Online Dating Bliss** Anthony Ekanem,2016-09-27 Online dating is not all fun and games and there are a lot of things that a person has to know about online dating before one gets into the intricacies of it Online dating may seem to be the simplest thing in the world but it is not It should be viewed in all earnestness or things could go haywire Every game has its rules and unless you know all the rules you just can t become a good player and eventually a winner There are so many kinds of people around Just look around you how many people you know look the same Sizes builds shapes features they are all so different And that is just about the external appearances And when it comes to character it becomes a very different story altogether Take a trip down memory lane go back to your classrooms and look around A classroom is one place where we get to interact with a lot of different people on a very close basis We get to rub shoulders and corners with very different people and we get to know them on a one to one basis So how many of your classmates did you genuinely like I don t mean like them as classmates but as people Was it easy to get along with all of them That is why we often end up with best friends or clich s in classrooms We do not and do not have to like everybody The tastes and interests of one person might match with ours while the tastes and interests of another person may be at complete loggerheads with ours So when it comes to dating it is very much the same story But over here there are some strings attached Unlike in a classroom contact most people go on dates with a more impressive purpose and that is to find life mate There are a hundred and one things that should match before two people decide to spend the rest of their lives with each other Many people are of the opinion that they do not need any help with dating They may be right because nobody knows a person s tastes and likes better than the person himself or
