Where to Date in D.C. Lauren Tanick, 2006-05 Can you imagine going out to eat with your boss and awkwardly sharing a romantic meal over candlelight Have you ever taken your grandparents out to a restaurant that was so noisy that they couldn't hear a word you said Uncomfortable dining experiences are easy to come by because most venues cater to a specific crowd but they don't do a good job getting the word out How would you ever know if a certain restaurant is a good idea for a first date or if you'll be terribly over dressed wearing formal attire to a particular date place You wouldn't Where to Date in D C offers personalized reviews from male and a female daters perspective It is like asking a friend for a restaurant recommendation Never again will you walk into a restaurant or date place not knowing what to expect You will be the one who always knows the perfect place to go for every occasion Where to Date in D C is not for one particular type of D C dater Whether you have lived in D C all of your life just moved to the District or have not yet even visited this book was made especially for you Whether you are looking for the perfect place for a first date a friendly date a date with out of town visitors lunch dates with clients or professors even a day date with your five year old nephew Where to Date in D C will fill you in on the details so you can have time to think about more important things Backstage to Millions Kassim Carney, 2009-11 You can make as much as you choose in the concert business The concert business can be enjoyable as well as an experience of a lifetime The opportunity to meet your favorite artist and hang out with your music idol is not just something you can dream about but much more obtainable than you think Imagine hearing your favorite song that you heard on the radio or recently witnessed the latest music video on MTV or BET you can get that hot artist and make the money you want to make
