**U. S. News and World Report Ultimate College Guide** U.S. News & World Report (Firm), 2007-10. In the simplest of terms, leadership is about influencing people to achieve an objective that is important to the leader, the group and the organization. It is the human element leading, motivating and inspiring, particularly during times of crisis, chaos and complexity, when directives, policy statements and communiques have little effect on cold, exhausted and stressed followers. Strong leadership encourages subordinates to go beyond the obligation to obey and commit to the mission.
