Could It Be Otherwise? Lois André-Bechely, 2013-10-11 Parents who wish to choose schools for their children must have more than a desire for different or better they need detailed knowledge of the processes and practices that will give them access to schools of choice This book vividly contrasts the experiences of a diverse group of urban parents choosing their children's schools with school choice policies from voluntary integration mandates to the No Child Left Behind Act Lois Andr Bechely carefully uncovers the race and class based inequities these policies sustain documenting the way parents themselves become complicit in the historical inequalities of schooling This book exposes how educational institutions are making this so and provokes new thinking about how public school choice could be implemented in more equitable and democratic ways

Chicken Soup for the Teenage Soul The Real Deal School Jack Canfield, Mark Victor Hansen, 2012-09-25 School It's frustrating it's boring it's embarrassing But it's also thought provoking challenging and full of possible friends And until you turn 18 like it or not it's just about your whole life So what's the deal Chicken Soup for the Soul knows that school is more than classes and tests It's also a social scene filled with cliques clubs and life changing decisions or so it seems this week It's where you meet your best friends and run into your worst enemies And it's an opportunity to figure out what you want to do whether it's kick a soccer ball play the trombone or act in a play Sometimes it's overwhelming and confusing but don't worry it's like that for everyone That's what the stories in this book are all about They're from real teens and they're about the bizarre embarrassing and sometimes triumphant things that really happened to them And they're here to give you some perspective on everything that goes down at your school and outside of it too Put that together with weird facts cool graphics fun advice and quizzes designed to help you figure out who you are and what you're up to and you've got the real deal on school full of all the laughter tears and daily drama that life is all about

A Little Insurrection Now + Then Tom Leveen, 2020-11-11 Sent to a private religious school Oh hell When hopelessly ADHD smart ass Jon Matthew who wants nothing more than a good laugh and to needle anyone older than 16 is sent to a private religious high school after getting in a little trouble he must toe the line for the first time in his life or else end up in one of those bad kid camps in the desert where they make you dig for treasure To make it to graduation he enlists the help of Bill a big dork who is loyal to a fault Molly the dark souled skater who carries a heartbreaking secret and Lauren a dangerously asthmatic girl who Jon's crushing on but who tries way too hard to be one of the cool kids Against overwhelming odds a k a teachers Jon powers through his education while his mouth puts him on a daily razor's edge of getting booted out Just when it looks like he's pulled off a miracle and won't be sent away a tragedy knocks Jon's world on its axis Suddenly all his jokes and sarcasm aren't as helpful as he used to think He'll have only those new friends to keep from losing his mind his school or his heart
