

Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functionable.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

Sleep Hacks In The Us:

Visions of Invasion Michael Lechuga, 2023-03-02 *Visions of Invasion* Alien Affects Cinema and Citizenship in Settler Colonies explores how the US government mobilizes media and surveillance technologies to operate a highly networked multidimensional system for controlling migrants Author Michael Lechuga focuses on three arenas where a citizenship control assemblage manufactures alienhood Hollywood extraterrestrial invasion film federal antimigration and border security legislation and various immigration enforcement protocols implemented along the Mexico United States border Building on rhetorical studies settler colonial studies and media studies *Visions of Invasion* offers a glimpse at how the processes of alien making contribute to an ongoing settler colonial project in the US Lechuga demonstrates that popular films *The War of the Worlds* *Predator* *Men in Black* and more participate in the production of migrants as subjective terrorists felons and other noncitizen personae vilified in public discourse Beyond just tracing how alien invasion narratives circulate in popular media Lechuga describes how the logics motivating early US colonists materialize in both the US s citizenship control policy and in some of the country s most popular texts Beneath each of the film franchises and antimigrant political expressions described in *Visions of Invasion* lies an anxious colonial logic in which the settler way of life is seemingly threatened by false narratives of imminent invasion from abroad The volume offers a deep dive into how the rhetorical figure of the alien has been manufactured as a political subjectivity one that plays out the anxieties guilts and fears of colonialism in today s science fiction landscape *Scientific American* , 1899 **Annual Report of the Attorney-General of the United States** , 1886 **The American** Henry James, 1879 **The Body Teaches the Soul** Justin Whitmel Earley, 2025-10-28 Your body is more spiritual than you think How can we preach a gospel of peace yet still find our bodies wracked by anxiety How do we call our bodies temples of the Holy Spirit yet regard eating exercise or sleep as inherently unspiritual activities How is it that modern Christians who claim God made their bodies have come to care so little about them Justin Whitmel Earley bestselling author of *The Common Rule* and *Habits of the Household* is intimately familiar with the consequences of ignoring the body As a young lawyer Earley collapsed into anxiety and insomnia that nearly ruined his life In his journey back to mental and spiritual health he realized that the healthy and unhealthy habits shaping his life weren t physical or spiritual they were physical and spiritual *The Body Teaches the Soul* is a practical guide to the union of body and spirit in our overall health With his characteristic vulnerability and story driven approach Earley shares personal failures fascinating research and biblical wisdom to reveal ten simple habits that will improve your health and deepen your relationship with God In these pages you will Connect deeply and positively with your body as the image of God while avoiding the mistakes of ignoring or idolizing the body Explore how daily patterns of healthy eating can be as spiritual as fasting and how rhythms of feasting can become guilt free celebrations of the world God made Recover your mental health through upper brain spiritual truths that work together with lower brain physical practices to reshape thought patterns Develop a sleep routine that honors your body

s need for rest and your soul s need for sabbath Discover how to lament sickness and injury while still praying with hope for the miracle of healing Learn how exercise can create a humble lifestyle of loving others with your body instead of becoming a vain search for body image Earley is not a health guru telling you how to get in shape he is the ordinary Christian s guide to rediscovering the extraordinary gift of the body and the spiritual life that flows from it Join this journey of wonder and well being to reconnect with your whole self and repattern your whole life in the image of the God who made you and loves you as you are body and soul
