**Knowledge Management in the Sharing Economy** Elena-Mădălina Vătămănescu, Florina Magdalena Pînzaru, 2017-11-14 This volume explores the challenge of engaging knowledge management in a sharing economy. In a hyper competitive business environment everything tends to be digital, virtual and highly networked, which raises the issue of how knowledge management can support the decision whether or not to share strategic resources or capabilities. The book answers questions such as to what extent does the sharing economy preserve or compromise the competitive advantage of organizations. And what are the knowledge management strategies for competitive yet cautious sharing dynamics?

**Managing Your Band** Steve Marcone, Dave Philp, 2021-06-24 Managing Your Band: A Guide to Artist Management is your go-to guide for artist management in the new music industry, especially independent artists taking the DIY route. Industry insiders Steve Marcone and Dave Philp tackle the work and knowledge required of an artist manager and band member, focusing on earning revenue from an artist's three major revenue streams: songwriting and publishing, live performance and recording. The book investigates the roles of the many industry intermediaries, illustrating how many of today's artists, including DIY artists, function as their own entertainment companies. This seventh edition includes updated information for the twenty-first century artist and manager, including key information on the impacts of COVID 19 on the industry. New sections and chapters include: The twenty-first century DIY manager, The live ecosystem, Music publishing, Social media Analytics offered by streaming services. Each chapter includes learning objectives, a summary, and suggested projects for course usage.
