The Greatest Tales of Ancient World Henry Rider Haggard, 2022-11-13 In The Greatest Tales of Ancient World Henry Rider Haggard meticulously curates a collection of his most lauded narratives that traverse the cultures and myths of antiquity. With his signature style, Haggard interweaves rich evocative prose with an intense sense of adventure and exploration. The text is characterized by its vivid imagery and intricate character development reminiscent of classical literature but infused with Haggard's unique perspective on colonial encounters. Set against a backdrop of ancient civilizations, these tales encapsulate not only the intrigue of lost empires but also the moral dilemmas faced by humanity throughout history. Haggard, well known for his earlier works such as *King Solomon's Mines*, was deeply influenced by his extensive travels and fascination with ancient cultures. His experiences in Africa and interactions with indigenous peoples provided him with profound insights into the narratives that shape human understanding and cultural heritage. Through his storytelling, he sought not merely to entertain but to provoke thought on the complexities of civilization and the universalities of human experience. This anthology is a must-read for scholars and enthusiasts of ancient lore and adventure literature alike. Haggard's masterful storytelling invites readers to embark on a journey through time where timeless themes of heroism, love, and morality come alive. Discover the resonance of ancient tales that echoes throughout the ages, rendering this book an essential addition to any literary collection.

**The African Running Revolution** Dave Prokop, 1975 The biggest story in track and field this past decade has been the astounding breakthrough of the African runners in international competition. Here is the most complete and incisive book yet published. Here is the most complete and incisive book yet published on this phenomenal success story. What are the African runners really like and how do they approach competition? It is altitude training that is the secret behind the success of the African runners, as so many believe.

how is it that of all the people in the world who live at altitude the only high altitude dwellers who collectively have made any mark in the track world are runners from the East African tableland what explains the incredible success story of Kenya's Kalenjin and Kisii tribes who have accounted for all 45 of Kenya's Olympic and Commonwealth Games medals since 1963 Kenya has more than 30 tribes in all Can the Kalenjin and Kisii be a race of super runners genetically Is there any scientific evidence to support the widely held theory that athletes living at high altitudes have a natural physiological advantage over sea level natives in the endurance running events These and a long list of other subjects are covered in this book by such writers as Philip Ndoo himself one of Kenya's finest runners John Manners Bob Hancock a coach on the 1972 Olympic team Dr Jack Daniels Geoff Fenwick Dave Prokop and David Lewis Ben Jipcho's former coach A special bonus for readers will be Tom Sturges's in depth story on Filbert Bayi undoubtedly the most complete story yet written on the Tanzanian superstar Illustrated with numerous action photographs The African Running Revolution is a book no track fan should miss
