[Ghost Work](#) Mary L. Gray, Siddharth Suri, 2019 A startling expos of the invisible human workforce that powers the web and how to bring it out of the shadows Hidden beneath the surface of the internet a new stark reality is looming one that cuts to the very heart of our endless debates about the impact of AI Anthropologist Mary L Gray and computer scientist Siddharth Suri unveil how the services we use from companies like Amazon Google Microsoft and Uber can only function smoothly thanks to the judgment and experience of a vast human labor force that is kept deliberately concealed The people who do ghost work make the

internet seem smart They perform high tech on demand piecework flagging X rated content proofreading transcribing audio confirming identities captioning video and much more The shameful truth is that no labor laws protect them or even acknowledge their existence They often earn less than legal minimums for traditional work they have no health benefits and they can be fired at any time for any reason or for no reason at all An estimated 8 percent of Americans have worked in this ghost economy and that number is growing every day In this unprecedented investigation Gray and Suri make the case that robots will never completely eliminate ghost work and the unchecked quest for artificial intelligence could spark catastrophic work conditions if not stopped in its tracks Ultimately they show how this essential type of work can create opportunity rather than misery for those who do it Dust jacket *Trampled by Unicorns* Maelle Gavet, 2020-10-06 A Wall Street Journal Bestseller An insider's revealing and in depth examination of Big Tech's failure to keep its foundational promises and the steps the industry can take to course correct in order to make a positive impact on the world *Trampled by Unicorns* Big Tech's Empathy Problem and How to Fix It explores how technology has progressed humanity's most noble pursuits while also grappling with the origins of the industry's destructive empathy deficit and the practical measures Big Tech can take to self regulate and make it right again Author Maelle Gavet examines the tendency for many of Big Tech's stars to stray from their user first ideals and make products that actually profoundly damage their customers and ultimately society Offering an account of the world of tech startups in the United States and Europe from Amazon Google and Facebook to Twitter Airbnb and Uber to name a few *Trampled by Unicorns* argues that the causes and consequences of Big Tech's failures originate from four main sources the Valley's cultural insularity the hyper growth business model the sector's stunning lack of diversity and a dangerous self sustaining ecosystem However the book is not just an account of how an industry came off the rails but also a passionate call to action on how to get it back on track Gavet a leading technology executive and former CEO of Ozon an executive vice president at Priceline Group and chief operating officer of Compass formulates a clear call to action for industry leaders board members employees and consumers users to drive the change necessary to create better more sustainable businesses and the steps Western governments are likely to take should tech leaders fail to do so Steps that include reformed tax codes reclassification of platforms as information companies new labor laws and algorithmic transparency and oversight *Trampled by Unicorns* exploration of the promise and dangers of technology is perfect for anyone with an interest in entrepreneurship tech and global commerce and a hope of technology's all empowering prospect An illuminating book full of insights *Trampled by Unicorns* describes a realistic path forward even as it uncovers and explains the errors of the past As Gavet puts it we don't need less tech we need more empathetic tech And how that crucial distinction can be achieved by the tech companies themselves driving change as governments actively pave the road ahead

A roadmap for discovering the authentic drive that already exists within you and is just waiting for you to clarify, understand, and direct it from the host of the top-rated podcast *Self Helpful* with Kevin Miller. Everyone has drive, a very strong energy and determination to achieve a goal or satisfy a need. But drive can remain dormant and it alone isn't enough to create the kind of success in work and life you want. In *What Drives You*, former pro athlete, performance guide, and star podcaster Kevin Miller takes you on an enlightening journey to discover how this motivational force works and how to get yourself in the mindset you need to find your true inspiration and fulfillment. He busts myths, puts the spotlight on what you need to focus on, and shows you how to use your own unique drive to power yourself in the direction you want to go. Drawing on the 200+ and counting thoughtful and lively discussions he's conducted with some of today's most renowned thought leaders on his *Self Helpful* with Kevin Miller podcast, Miller offers profound insight on how to identify the roadblocks that are keeping you from reaching your true potential and practical steps for finding the elements that will create your unique brand of success. Knowing what drives you and how to channel that drive in the right direction puts you on the right path for you not just professionally but in every other way that helps you achieve more joy, peace, and fulfillment.

[For the Culture](#) Klancy Miller, 2023-09-19

Winner of the 2024 IACP Cookbook Award for Literary or Historical Food Writing. A must-have anthology of the leading Black women and femmes shaping today's food and hospitality landscape from farm to table and beyond, chronicling their passions and motivations, lessons learned, and hard-won wisdom. Personal recipes and more. Chef and writer Klancy Miller found her own way by trial and error as a pastry chef, recipe developer, author, and founder of *For the Culture* magazine, but what if she had known then what she knows now? What if she had known the extraordinary women profiled within these pages: entrepreneurs, chefs, food stylists, mixologists, historians, influencers, hoteliers, and more? And learned from their stories? Like Leah Penniman, a farmer using Afro-Indigenous methods to restore the land and feed her community; Ashtin Berry, an activist sommelier and mixologist creating radical change in the hospitality industry and beyond; or Sophia Roe, a TV host and producer showcasing the inside stories behind today's food systems. Toni Tipton Martin, Mashama Bailey, Carla Hall, Nicole Taylor, Dr. Jessica B. Harris... In this gorgeous volume, these luminaries and more share the vision that drives them, the mistakes they made along the way, advice for the next generation, and treasured recipes all accompanied by stunning original illustrated portraits and vibrant food photography. In addition, Miller shines a light on the

Dying for a Paycheck Jeffrey Pfeffer,2018-03-20 In one survey 61 percent of employees said that workplace stress had made them sick and 7 percent said they had actually been hospitalized Job stress costs US employers more than 300 billion annually and may cause 120 000 excess deaths each year In China 1 million people a year may be dying from overwork People are literally dying for a paycheck And it needs to stop In this timely provocative book Jeffrey Pfeffer contends that many modern management commonalities such as long work hours work family conflict and economic insecurity are toxic to employees hurting engagement increasing turnover and destroying people s physical and emotional health and also inimical to company performance He argues that human sustainability should be as important as environmental stewardship You don t have to do a physically dangerous job to confront a health destroying possibly life threatening workplace Just ask the manager in a senior finance role whose immense workload once handled by several

employees required frequent all nighters leading to alcohol and drug addiction Or the dedicated news media producer whose commitment to getting the story resulted in a sixty pound weight gain thanks to having no down time to eat properly or exercise Or the marketing professional prescribed antidepressants a week after joining her employer In Dying for a Paycheck Jeffrey Pfeffer marshals a vast trove of evidence and numerous examples from all over the world to expose the infuriating truth about modern work life even as organizations allow management practices that literally sicken and kill their employees those policies do not enhance productivity or the bottom line thereby creating a lose lose situation Exploring a range of important topics including layoffs health insurance work family conflict work hours job autonomy and why people remain in toxic environments Pfeffer offers guidance and practical solutions all of us employees employers and the government can use to enhance workplace wellbeing We must wake up to the dangers and enormous costs of today s workplace Pfeffer argues Dying for a Paycheck is a clarion call for a social movement focused on human sustainability Pfeffer makes clear that the environment we work in is just as important as the one we live in and with this urgent book he opens our eyes and shows how we can make our workplaces healthier and better
