balanced and carve out time for the things that are most important to them a task that is increasingly difficult in today's frenetic world. In *The Balance Equation: Find Your Formula for Living Your Best Life* authors Rob Fiance and Stuart Rosenblum offer a simple but comprehensive program for balancing the four life categories of self, health, relationships and money. Their proprietary concept called Micro moves™ makes small changes that immediately begin addressing problem areas, helping readers achieve their priorities and begin living their best lives without a huge disruption or drain of time. Complete with exercises and case studies, *The Balance Equation* helps those who are ready to live their best lives take action and develop their own personal formula for doing exactly that. American Foundation for Suicide Prevention will receive a portion of the proceeds of each book. Reviews I've already embraced the concept of micro moves tiny activities that take almost no time at all. Such as meditate for one minute. I'm not a meditating type person but for only one minute Yeah I can do that. Julie Mayerson Brown author of top selling contemporary women's fiction novels I have just read *The Balance Equation* and I realized how the principles outlined would have been so useful to me when I was a high ranking executive at a major movie studio. In that kind of position it was almost necessary to be consumed by my job and therefore sacrificing and short changing so many other aspects of my life. The ideas put forth in the book would have helped my life in a much more healthy, happy and self-satisfying manner. Barry London Vice Chairman of Paramount Pictures retired. Our limited definition of success has created a culture of rudderless ambition. *The Balance Equation* is an invaluable resource a paradigm shift that trades antiquated notions of success and guides us to truly examine our lives so we can discover new definitions that include not only greater wealth but also optimum health, peace of mind, meaning, purpose and service to others. Alan Watt founder of L.A. Writers Lab and bestselling author of *The 90 Day Novel* [The Morning Routine](#) Adam Rockman, 2017-06-28 Do you wake up without energy and motivation? Do you wake up with anxiety about all your responsibilities and goals? Tony Robbins, Elon Musk, Richard Branson and countless other successful entrepreneurs master their daily routines and aim for mastery at building impressive legacies and contributions to the world. What do you want to create? Would you like to build a successful startup? Want to create beautiful art or music that people love? If yes, then you MUST read *The Morning Routine* Book. These techniques are based on proven psychology and are so easy they are effective for anyone. Learn to kick ass every day with routines that quadruple your productivity. Part of you might enjoy the instant gratification of skipping exercise, wasting time on various smart phone apps, neglecting your life goals, staying up late, binge watching a TV show you just discovered or sleeping in. But you know another part of you wants more from life. This part of you wants the discipline and willpower to achieve goals, learn new skills and build something of value. *The Morning Book* gets those 2 parts of yourself into a dialogue so they can finally learn to cooperate. You won't need to give up all your self-indulgent desires and needs. But you will have much more self control after reading this book. You will finally wake up at consistent times every day full of energy and enthusiasm. You will finally have time for the goals in your life you always dreamed of pursuing.
