English for Management TIM LC UMM,2016-09-21 English for Management is written to fulfill students needs to learn English as a preparatory for job communication This book is designed to provide an opportunity to develop students English skills more communicatively and meaningfully It consists of twenty eight units Each unit presents reading writing and speaking section Reading section consists of prereading reading comprehension and vocabulary exercises related to the topic of the text In writing section some structures and sentence patterns are completed with guided writing exercises Meanwhile in speaking section students are provided with models and examples followed by practical activities which are presented in various ways In addition students are also equipped with listening comprehension skill which is presented in a separate textbook The materials have been arranged and graded in accordance with their language levels Above of all to improve the quality of this textbook criticism and suggestions for better editions are highly appreciated *How Canadians Communicate*

V David Taras,Christopher Waddell,2016-03-15 Fewer Canadians than ever are lacing up skates swimming lengths at the pool practicing their curve ball and experiencing the thrill of competition However despite a decline in active participation Canadians spend enormous amounts of time and money on sports as fans and followers of sporting events and sports culture Never has media coverage of sports been more exhaustive and never has it been more driven by commercial interests and the need to fuel consumerism on which corporate profits depend But the power plays now occurring in the arena of sports are by no means solely a matter of money At issue as well in the media capture of sports are the values that inform our daily lives the physical and emotional health of the population and the symbols so long central to a sense of Canadian identity Writing from a variety of perspectives the contributors to this collection set out to explore the impact of the media on our reception of and attitudes toward sports to unpack the meanings that sports have for us as citizens and consumers Some contributors probe the function of sports as spectacle the escalation of violence controversies over drug use and the media s coverage of tragic deaths while others shed light on the way in which the media serve to transform sports into a vehicle for the expression of identity and nationalism The goal is not to score points but to prompt critical discussion of why sports matter in Canadian life and culture and how they contribute to the construction of identity **Coaching Today's Athlete**
