## Nfl Standings 2025 Returns:

**The Spartan Succession** Mark A. O'Connell,2022-08-01 In the 1960s and early 1970s the Wolverines of Andrew Lewis High Salem Virginia won gridiron acclaim under legendary head coach Eddie Joyce From 1962 through 1971 the Wolverines won two state titles and finished as a runner up three times Though unmentioned in the nationally acclaimed film Remember the Titans their equally compelling story is chronicled in the author's previous work The Team the Titans Remember Located in a city known for its deep civic pride and passion for sports especially football a new era began in 1977 when the newly established Salem High opened its doors to the student bodies from both Andrew Lewis and neighboring Glenvar High which became middle schools The football program at Salem struggled for years until a huge turning point in 1983 That was when Willis White was hired as the new head coach and soon turned the team into a winner Under White and his immediate

successor the Spartans of Salem have succeeded to the throne once held by the Wolverines and to date have played in twelve state championship games and won nine **Bringers of Order** James N. Gilmore,2025-02-04 Wearable technology including smartwatches biometric trackers and body cameras are often touted as helpful tools that record produce and analyze data about daily life to improve our individual habits and health or to solve serious public issues In this book James N Gilmore argues that these lofty promises mask forms of surveillance and power Charting the implementation of wearables in areas of accessibility health sports labor law enforcement and infrastructure Gilmore demonstrates how these devices have been positioned as authoritative means for producing knowledge about human activity Drawing on news reporting advertising film and television company reports and legal policies he shows how this knowledge production reproduces three distinct modes of power normalcy surveillance and solutionism *Bringers of Order* empowers readers to examine the complicated ways our devices reshape how we think about our lives and our ethics and why we should resist companies analyzing our personal data
