Anthony Pedriana,2010-10-16 In the tradition of Why Johnny Can t Read written by Rudolph Flesch in the 1950s Leaving Johnny Behind provides a comprehensive examination of the barriers that deny children adequate literacy training This book describes the obstacles faced by a school principal from Milwaukee s central city when he attempted to implement research based reading practices Upon further examination he discovered that the reading establishment generally rejects the product

of legitimate science choosing instead to engage in a never ending interfusion of the latest innovations modifications and gimmicks This condition Anthony Pedriana observes has a disparate impact on poor and minorities those who suffer from dyslexia and other forms of reading disability and those for whom English is a second language But unlike Flesch who stressed the differences between phonics and holistic practices Pedriana seeks common ground among reading practitioners He notes that there is plenty in the data for both sides to love and that failing to take advantage of that convergence is to mock our high minded expressions of children first     The Reading Newsreport ,1967     **Business Education Index** ,1972     Research Report ,1960     Research Reports USAF School of Aerospace Medicine,1961     Technical Documentary Report , SAM-TDR USAF School of Aerospace Medicine,1960     Report (USAF School of Aerospace Medicine) , [1-40], [1961] ,1960     For a Better World Randy Bomer,Katherine Bomer,2001 Randy and Katherine Bomer present a new vision of curriculumone that invites students to read with important social ideas in mind and write with the purpose of making the world a better place
