Henry, 2016-01-26 When Charli and her husband Pud enter retirement Charli mistakenly believes that paradise is just around the corner Unfortunately instead of spending their days soaking in matching hot tubs and admiring each others wrinkles Pud lives on the links and Charli cleans out the basement Still they press on eventually becoming closer while bonding with young relatives through a love of fine dining Now the couple faces new and weighty challenges Charli and Puds days are filled with more excitement than AARP discounts and Lawrence Welk reruns and more calories than they ever imagined Realizing they are out of shape and slipping mentally Charli and Pud check their BMIs and immediately decide they need to change their ways With a goal of becoming healthy sooner than later the couple embarks on a roller coaster ride through calorie counting label reading and laborious exercising But when Pud begins making mysterious phone calls and acting strangely Charli cannot help but wonder if more problems are lurking around the corner The Golden Age of Charli continues the delightful tale of the energetic friendly and positive McAntics as they cruise through their retirement years and discover the consequences of too much of a good thing **The Poultry Tribune** , 1896
