Our aim is to introduce these sight words as a support to the reading books your child will be bringing home from school. This book is suitable for children of all ages and learning abilities. What are sight words? Sight words are common words that appear very often in books and written text. As they don't always follow English phonic rules, sight words are designed to be identified at first sight and then memorized. When children learn their sight words, you will find their reading will improve and increase in speed. What you'll find in our activity book: All children and adults love that magical time of year, Christmas. So, to add a bit of fun to your child's learning, we've persuaded some elves to present to you this Sight Words Activity Book. We have included over 100 practice pages covering over 50 sight words, many from the Dolch word list. 'Say, trace, and write' For each word, there is a 'say, trace, and write' section. 'Finish the sentence' Using the sight word, finish the sentence and then color the picture. 'Write your own sentence' We have also included some writing lines where your child can write their own sentence for the chosen sight word. 'Fun activity' There is a fun activity for each sight word, which varies throughout the book to keep little ones interested. 'Cut out and glue' Get creative with the 'cut and glue' section. At the bottom of each sight word page, we have included cut-out letters for your child to cut out and glue into the space provided to finish the sentence. Flash cards: Studies have proven that flash
