

# The Average Cost of an Uber

IN THE 30 LARGEST U.S. CITIES

An Uber ride can cost three times more in one U.S. city than another. To find the best value, we calculated the average cost of a 10km ride in the 30 biggest cities served by Uber.

**New York City (\$34.74)** is the most expensive place to grab an Uber. The city introduced a congestion surcharge and minimum wage for Uber drivers in 2019. A post-lockdown surge in demand and lack of drivers has pushed prices even higher in 2022.

Gregory I,1900      **Humanitarian Reinstatement** Brian D. Lerner,2025-12-17 Has your immediate relative petitioned you to come to the United States and then passed away suddenly and your I 130 has been denied due to the death of your immediate relative The best option for you would be the Humanitarian Reinstatement which makes it possible for you to have the I 130 reinstated so you don t have to start the immigration process all over again Assuming you and the Substitute Sponsor will experience hardship if your I 130 is not reinstated and the hardship is documented the Humanitarian Reinstatement will have the best chance for approval It includes all relevant cover letters forms exhibits and supporting evidence It has been prepared by an expert Immigration attorney Thus this book will allow you to see a guide of how it s done prepared and submitted If the Humanitarian Reinstatement is approved then you will not lose the priority date and will not have to wait many more years to get a current visa date from another petition Additionally if the Humanitarian Reinstatement is approved then the beneficiaries of the approved petition will also be able to immigrate to the U S It is the best way to proceed if a petitioner has died The bottom line for the Humanitarian Reinstatement is that the officer has to be convinced to actually reinstate the I 130 petition This is much more than simply getting a substitute sponsor Rather it would be preparing evidence through legal argument that the beneficiary deserves the Humanitarian Reinstatement to be approved and that the petition should proceed forward so that the beneficiary can immigrate along with his or her dependents It does take around one year to get the answer on the Humanitarian Reinstatement so you must be patient Do not go to the interview thinking the Consulate Officer will not know that the petitioner has died It does take time for U S Immigration to adjudicate the petition for the Humanitarian Reinstatement but it is a lot better than starting over Some people think they can still go to their interview and everything will proceed but that is not the case In fact once the petitioner dies so does the petition unless the Humanitarian Reinstatement is approved The cover letter here was prepared by a qualified and expert immigration attorney in the U S who has been practicing immigration law for nearly 30 years It is the next best thing to having an attorney do the Humanitarian Reinstatement Application without having to pay an attorney Take advantage of this petition and show everything you can to try to get approved Do not get lulled into the false belief that it is easy to get a Humanitarian Reinstatement The officer must be convinced This particular sample is an actual Humanitarian Reinstatement Application where it is filed inside the U S with all of the various examples and supporting evidence It assumes that the beneficiary was

outside the United States when the petitioner died and is still outside the United States Of course it assumes the petitioner has died Note that our library includes not only this Humanitarian Reinstatement application but also multiple types of work permits such as the H 1B Specialty Occupation Visa Petition the O 1 Extraordinary Alien Petition PERM examples I 140 Applications and many more If you enjoy this F 1 Reinstatement Petition and it makes your life easier then come back and try the other immigration applications and petitions Either way we certainly hope you find this petition useful and helpful and hope for the best immigration experience you can have We do have petitions on every subject area of immigration and you might look at those if needed as well If you do need to actually have a consultation you can call our U S Immigration Law office at 562 495 0554 for an initial free consultation to determine what must be done to help you and your family
