Walmart Update:

The Trust Edge David Horsager, 2012-10-09 Originally published in 2009 by Summerside Press Frenemies Jaime E. Settle, 2018-08-30 Social media is polarizing America using Facebook causes Americans to negatively judge and stereotype those people with whom they disagree about politics

New Mythologies in Design and Culture Rebecca Houze, 2016-05-19 Taking as its point of departure Roland Barthes classic series of essays Mythologies Rebecca Houze presents an exploration of signs and symbols in the visual landscape of postmodernity In nine chapters Houze considers a range of contemporary phenomena from the history of sustainability to the meaning of sports and children's building toys Among the ubiquitous global trademarks she examines are BP McDonald's and Nike What do these icons say to us today What political and ideological messages are hidden beneath their surfaces Taking the idea of myth in its broadest sense the individual case studies employ a variety of analytic methods derived from linguistics psychoanalysis anthropology sociology and art history In their eclecticism of approach they demonstrate the interdisciplinarity of design history and design studies Just as Barthes meditations on culture concentrated on his native France New Mythologies is rooted in the author's experience of living and teaching in the United States Houze's reflections encompass both contemporary American popular culture and the history of American industry with reference to such foundational figures as Thomas Jefferson and Walt Disney The collection provides a point of entry into today's complex postmodern or post postmodern world and suggests some ways of thinking about its meanings and the lessons we might learn from it

Mining and Monitoring Evolving Data Venkatesh Ganti, 2000

Every Purchase Matters Paul Rice, 2025-04-08 NATIONAL BESTSELLER From the founder and CEO of Fair Trade USA a critical account of the past present and future of conscious capitalism the change it has wrought in the world and the potential it still has to confront our greatest challenges We all have the power to change the world through the products we buy This simple premise has driven the growth of the conscious consumer movement for decades Indeed what started with a handful of niche sustainability brands has exploded into the mainstream with labels like Organic Non GMO and Fair Trade Certified now adorning products in major retailers across the country Yet the true promise of ethical sourcing and conscious consumerism has not been fully realized Paul Rice has dedicated his career to helping consumers and businesses embrace the power they have to protect the environment and improve the lives of farmers and workers on the far side of our global supply chains In Every Purchase Matters Rice reveals the untold story of the Fair Trade movement and its significance for us all Calling on the close relationships he cultivated over the last forty years with the pioneers of ethical sourcing CEOs activists grassroots farmer leaders and consumer advocates Rice gives voice to the visionaries and practitioners who are making sustainable business the new normal These protagonists share successes and failures lessons learned and their extraordinary impact in communities around the world Their stories illuminate how sustainability is good not only for people and planet but also for business Whether you're a consumer a business leader or an investor Every
