**Slender Man Is Coming** Trevor J. Blank, Lynne S. McNeill, 2018-09-21 The essays in this volume explore the menacing figure of Slender Man the blank faced long limbed bogeyman born of a 2009 Photoshop contest who has appeared in countless horror stories circulated on and offline among children and young people Slender Man is arguably the best known example in circulation of creepypasta a genre derived from cypypasta which in turn derived from the phrase copy paste As narrative texts are copied across online forums they undergo modification annotation and reinterpretation by new posters in a folkloric process of repetition and variation Though by definition legends deal largely with belief and possibility the crowdsourced mythos behind creepypasta and Slender Man suggests a distinct awareness of fabrication Slender Man is therefore a new kind of creation one intentionally created as a fiction but with the look and feel of legend Slender Man Is Coming offers an unprecedented folkloristic take on Slender Man analyzing him within the framework of contemporary legend studies creepypastas folk belief and children s culture This first folkloric examination of the phenomenon of Slender Man is a must read for anyone interested in folklore horror urban legends new media or digital cultures Contributors Timothy H Evans Andrea Kitta Mikel J Koven Paul Manning Andrew Peck Jeffrey A Tolbert Elizabeth Tucker

**The New Megatrends** Marian Salzman, 2022-05-03 A pioneering forecaster predicts the trends and technologies that will shape global culture and commerce in the next two decades a must read guide for business leaders entrepreneurs and anyone looking for an edge In a world of half baked hot takes Marian Salzman is a true seer Andrew Yang A little more than twenty years ago the Y2K computer glitch threatened to bring the global economy to its knees But instead of overnight disruption humankind slipped into two decades of economic turmoil ecological angst and tribalism all set against the backdrop of a newly global and digital civilization Sometimes the events that seem pivotal are just blips while the more meaningful cultural shifts are hiding in plain sight Marian Salzman s job is to uncover those hidden shifts So what s in store for the next two decades In this acutely observed guide Salzman whose past predictions have been heralded for coming uncannily close to the way we live now unpacks the course of human life from the bumpy turn of the millennium through the pandemic era when chaos and together apart are the new normal equity has become a battle cry and breathing space emerged as the greatest luxury of all Drawing inspiration from John Naisbitt s classic 1982 book Megatrends Salzman then turns to the two decades ahead Navigating deftly among geographies she connects threads across business civic life consumerism family and entertainment revealing the trends and developments some established some surprising poised to recast our past shape our collective future and shift our identities In a world dominated by disruption being prepared for change is a critical advantage The New Megatrends is gripping reading for anyone seeking to understand the shape and texture of the next era which above all will be marked by its relentless pace new technology and the ever present threats of climate change and political division
