**This Is Where You Belong** Melody Warnick, 2016-06-21 In the spirit of Gretchen Rubin's megaseller *The Happiness Project* and Eric Weiner's *The Geography of Bliss* a journalist embarks on a project to discover what it takes to love where you live The average restless American will move 11.7 times in a lifetime For Melody Warnick it was move 6 from Austin Texas to Blacksburg Virginia that threatened to unhinge her In the lonely aftermath of unpacking she wondered Aren't we supposed to put down roots at some point How does the place we live become the place we want to stay This time she had an epiphany Rather than hold her breath and hope this new town would be her family's perfect fit she would figure out how to fall in love with it no matter what How we come to feel at home in our towns and cities is what Warnick sets out to discover in *This Is Where You Belong* She dives into the body of research around place attachment the deep sense of connection that binds some of us to our cities and increases our physical and emotional well being then travels to towns across America to see it in action Inspired by a growing movement of placemaking she examines what its practitioners are doing to create likeable locales She also speaks with frequent movers and loyal stayers around the country to learn what draws highly mobile Americans to a new city and what makes us stay The best ideas she imports to her adopted hometown of Blacksburg for a series of Love Where You Live experiments designed to make her feel more locally connected Dining with her neighbors Shopping Small Business Saturday Marching in the town Christmas parade Can these efforts make a halfhearted resident happier Will Blacksburg be the place she finally stays What Warnick learns will inspire you to embrace your own community and perhaps discover that the place where you live right now is home

**Multi-Channel Marketing to Sell Your Book Around the World in a DAY** Conrad Jones, Darin Jewell, 2013-07 If you want to sell your book abroad you should be clear about what you are likely to achieve and set reasonable goals You need to integrate your marketing approach and engage your global audience which involves online demographic research to develop a profile of your international readers Once you have to decide which countries you are going to focus on you need to ensure that your message is clear and consistent that you stay on message and that you drive the conversation with your potential readers and gain their respect You will need to decide when to weigh in and blitz the global market you will need to be persistent will need to upload rich content to secure new readers worldwide and retain them as loyal readers reviewers and recommenders of your work You will also need to monitor and track their posting activities and interests and their buying habits and preferences This book will tell you how and will point you in the direction of virtual rights agencies that can help you showcase your work more widely and even sell rights in different formats to the global marketplace
