Berger-Grabner, 2021-10-25 The retail industry and associated business models have gone through a significant phase of disruption. The rapid emergence of new technologies digital business models and the evolution of social media platforms as a new sales channel continue to influence the sector. Key contextual or external trends will affect and shape the retail landscape in the years to come. Therefore it seems important to prepare for this situation and be ready with a head start in terms of knowledge. This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments. It deals with key trends in particular new patterns of personal consumption evolving geopolitical dynamics technological advancements and structural industry shifts. Moreover it explains why it is so important that retailers use these trends adapt their retail strategies and tactics create strong brands and come up with innovative new ways of doing business. Today we are living in a challenging time for retail. This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications.

**The Wall Street Journal**, 2009 Alibaba Duncan Clark, 2016-04-12 The story of Alibaba's rise along with Jack Ma's offers a fascinating window onto China's staggering transformation. The Wall Street Journal. In just a decade and half Jack Ma a man who rose from humble beginnings and started his career as an English teacher founded and built Alibaba into the second largest

Internet company in the world. The company's 25 billion IPO in 2014 was the world's largest valuing the company more than Facebook or Coca Cola. Alibaba today runs the e-commerce services that hundreds of millions of Chinese consumers depend on every day providing employment and income for tens of millions more. A Rockefeller of his age Jack has become an icon for the country's booming private sector and as the face of the new consumerist China is courted by heads of state and CEOs from around the world. Granted unprecedented access to a wealth of new material including exclusive interviews Clark draws on his own first hand experience of key figures integral to Alibaba's rise to create an authoritative compelling narrative account of how Alibaba and its charismatic creator have transformed the way that Chinese exercise their new found economic freedom inspiring entrepreneurs around the world and infuriating others turning the tables on the Silicon Valley giants who have tried to stand in his way. An expert insider with unrivaled connections Clark has a deep understanding of Chinese business mindset. He illuminates an unlikely corporate titan as never before and examines the key role his company has played in transforming China while increasing its power and presence worldwide. A must read for anyone hoping to navigate China's new economy.
