Emmy, 1998 **The Mix**, 1999 **You Can't Be Serious** Kal Penn, 2022-08-09 Kal Penn's unlikely career arc has taken him from nerdy American kid from an immigrant family in the New York suburb of Montclair, New Jersey to world famous actor to White House staffer under President Obama and back to actor again. Now in *You Can't Be Serious* he reflects on the most ridiculous, offensive and rewarding moments that have stood out during his journey. With intelligence, humor and charm on every page Penn explores what it means to be the embodiment of the American Dream as the child of immigrant parents who came to this country with very little and who never expected to see their son get his big break by sliding off an oiled up naked woman in a raunchy Ryan Reynolds movie. He also pulls back the curtain on racism in Hollywood and the constant reminders that he would never fit in. And of course he reveals how after twenty-five years fighting for success in Hollywood he made the terrifying but rewarding decision to walk away from it all for a career in politics. Above all *You Can't Be Serious* shows that everyone can have more than one life story. Penn bravely demonstrates by example that no matter who you are and where you come from you have many more choices than those presented to you. It's a story about struggle, triumph and learning how to keep your head up. And okay, yes it's also about whether Kal really smoked weed in the White House with the former First Lady because let's be honest that's what you really want to know.
