New Power Jeremy Heimans, Henry Timms, 2018-04-19 For most of human history the rules of power were clear power was something to be seized and then jealously guarded Under this Old Power we lived in a world of rulers and subjects Now we all sense that something has changed From MeToo to Harvey Weinstein Corbyn to Trump from YouTube sensations to darker phenomena such as the emergence of ISIS in our new hyper connected world ideas and movements can spread and flourish with astonishing force and speed In New Power Jeremy Heimans and Henry Timms confront the biggest story of our age and trace how New Power is the key to understanding where we are and will prosper in the 21st Century Drawing on examples from business politics popular culture and social justice as well as case studies of organisations like LEGO and TED they explain the forces that are changing the course of our age In a world increasingly shaped by New Power this book will show you how to shape your future
