Consolation Prize Linda Kage,2019-12-17 Don t you just hate it when someone destroys all your carefully made plans I mean I had goals college to graduate in one semester a future I was working hard to reach and an image of myself I wanted the world to see My life was stacked into these precisely placed blocks But then Colton Gamble came along and knocked them all askew I hated how he messed everything up how he could hog all my attention whenever he was around how he made my pulse quicken but only because he ticked me off not because I was attracted to him Oh And I hated how he knew how attractive he was too the shallow full of himself doesn t take no for an answer too flirty too cocky extremely irritating jerk The boy had all the qualities that turned me off Or so I thought One night he wasn t quite the brainless overconfident jerk I assumed he always was One night he took care of me when I was at my lowest He opened up to me and made me open up to him Now I m learning maybe he s not what I first thought he was And maybe I m not what I first thought I was Maybe it s okay to rearrange a couple of my perfectly set blocks Maybe just maybe I ll stop worrying about what I m afraid everyone else will think and finally reach for something I really want It s possible some of my plans need to be

destroyed and Colton Gamble is exactly the kind of mess I need in my life What do you think Should I give him a try
