• The most effective way to manage change is to involve the people affected in the process. In this way, the change process can be seen as a learning and development opportunity. Involving people in the change process can help to build their confidence and competence, and can help to ensure that the changes are accepted and adopted.

the first time in the history of the world, the people of the United States have been called upon to decide whether they will submit to the law of force, and let a single human being, untried and untried by the law of God, to decide the fate of millions of people.

These effects bring about rather dramatic  
changes in the way that people live and work.
