Edited by Michael Dumper

Palestinian Refugee Repatriation Palestinian Refugee Repatriation

Naseer Aruri

Palestinian Refugee Repatriation Palestinian Refugee Repatriation:

Palestinian Refugee Repatriation Michael Dumper, 2006-09-27 The repatriation of Palestinians is a highly topical issue and a critical component of any future peace process for Israel Palestine Until now the mechanics of repatriation have not been dealt with in detail This book explores the notion that the Palestinian refugee case is exceptional through the comparative study of refugee repatriation and asks To what extent can the Palestinian case be said to be unique Where are the divergences the overlaps and points of similarity with other refugee situations What lessons can be drawn from these comparisons How can these lessons inform refugee organizations the donor community and policy makers The expert contributors examine the contextual and methodological field reviewing the trends in forced migration and refugee studies as well as studying the historical and political background of UNHCR and the negotiations around the Palestinian refugee issue Taking a comparative approach the book incorporates case studies of specific refugee situations from around the world revealing key issues in the formulation of repatriation programmes and highlighting lessons to be learnt **Palestinian Refugees** Rex Brynen, Roula El-Rifai, 2007 The Palestinian refugee issue remains a central component of the Arab Israeli conflict This book explores the demographic and developmental challenges which the return of refugees to a future Palestinian state would generate **Palestinian Refugee Camps in the West Bank** Nājiḥ Jarrār, 2003 **Palestinian Refugee Repatriation** Michael Dumper, 2006-09-27 The repatriation of Palestinians is a highly topical issue and a critical component of any future peace process for Israel Palestine Until now the mechanics of repatriation have not been dealt with in detail This book explores the notion that the Palestinian refugee case is exceptional through the comparative study of refugee repatriation and asks To what extent can the Palestinian case be said to be unique Where are the divergences the overlaps and points of similarity with other refugee situations What lessons can be drawn from these comparisons How can these lessons inform refugee organizations the donor community and policy makers The expert contributors examine the contextual and methodological field reviewing the trends in forced migration and refugee studies as well as studying the historical and political background of UNHCR and the negotiations around the Palestinian refugee issue Taking a comparative approach the book incorporates case studies of specific refugee situations from around the world revealing key issues in the formulation of repatriation programmes and highlighting lessons to be learnt Palestinian Refugees Rex Brynen, Roula El-Rifai, 2007 The Palestinian refugee issue remains a central component of the Arab Israeli conflict In this timely book bringing together the most cutting edge research from various disciplines Rex Brynen and Roula El Rifai explore the demographic and developmental challenges which the return of refugees to a future Palestinian state would generate As well as outlining the social conditions of Palestinian refugee populations the book addresses key practical questions such as how the repatriation of refugees would affect the Palestinian economy and how the international community can effectively support the repatriation of refugees In doing so the authors examine and draw lessons from repatriation experiences in other

parts of the world The book provides a collection of world class research and analysis into this complicated problem at a critical moment in the Arab Israeli peace process and should form the foundation of any informed policies on the subject Bloomsbury Publishing **Palestinian Refugees** Naseer Aruri,2001-07-20 With contributions from a range of international experts including Edward W Said Noam Chomsky Ilan Pappé Alain Gresh and Norman Finkelstein this collection examines the Palestinians right of return Chapters cover the historical roots of the Palestinian refugee question the rights of the refugees under international law the special case of Lebanon Israeli perceptions of the refugee question the practical feasibility of the return the role of the United States and the European Union and the Refugee Question the value of the refugee property the principles of compensation and a programme for an Independent Rights Campaign **Refugees Into Citizens** Donna E. Arzt,1997 Refugees into Citizens Palestinians and the End of the Arab Israeli Conflict a provocative and timely new book by Syracuse University international law professor Donna E Arzt offers an unprecedented blueprint for resolving what is often called the last taboo in the Arab Israeli peace negotiations a just and permanent solution to the problem of over three million Palestinian refugees This book represents the first comprehensive effort to place the inclusion and dignity of Palestinian refugees at the core of creating viable and lasting peace in the region Arzt blends traditional academic scholarship with a practical policy prescription the end of the Middle East conflict can only be achieved when all Palestinian refugees are offered dual citizenship compensation for lost property and or voluntary absorption options in either a future state of Palestine other Arab states in the region the broader international community or on family reunification grounds repatriation in Israel Arzt argues that compensation should be based on a no fault assumption and that all involved parties share equal responsibility for refugee absorption The Palestinian Refugee Problem Rex Brynen,Roula El-Rifai,2013-12-06 In this unique volume leading analysts from the Red Cross Middle East Institute and Refugee Affairs many of whom have been actively involved in past negotiations on this issue provide an overview of the key dimensions of the Palestinian refugee problem Mindful of the sensitive and contested nature of the subject none offers a single solution Instead each contribution summarises and synthesises the existing scholarly and governmental work on the topic Each paper develops an array of policy options for resolving various aspects of the refugee issue From moral acknowledgements of the plight of refugees to host countries repatriation and reparations each policy analysis is written to provide a broad menu of choices rather than a single narrow set of recommendations No other work on the Palestinian refugee issue has undertaken such a task The Palestinian Refugee Problem The Search for a Resolution is likely to be a pre eminent reference and analytical work on the topic for many years to come *Palestinian Refugees* Ghada Hashem Talhami,2003 The main goal of this book is to record as much of the Palestinian refugees political history as possible The author is becoming increasingly aware of the ebb and flow of general interest in the refugee issue and the strong possibility of subsuming that chapter in the larger Palestinian story As the PLO itself moved further and further away from the refugee constituency it became necessary

to examine and define the impact of the refugee issue on the larger Palestinian political picture for indeed as it turned out they were always a tremendous influence on the course of Palestinian and Arab history Although they lost their leadership positions within the PLO as the latter became increasingly elitist and bureaucratic the powerless refugees apparently never lost the means to influence the course of Palestinian history This book relies heavily on early State Department dispatches Israeli Foreign Office correspondence early accounts of the stirrings of a refugee movement in Jordan and declarations statements and studies of the Badil Research Centre and some right of return groups Also investigated is much of the known literature to emerge from the secretive Oslo negotiations and the reverberations produced by their deliberations throughout the Palestinian diaspora The resilience of the refugee question should never be questioned or declared until one of two things happened either the obliteration or dispersal of concentrated refugee communities became a reality or the Palestinian refugees accepted a resolution of some kind or another

Israel and the Palestinian Refugee Issue Jacob Tov, 2014-03-05

Examining the development of Israel's policy toward the Palestinian refugee issue this book spans the period following the first Arab Israeli War until the mid 1950s when the basic principles of Israel's policy were finalized Israel and the Palestinian Refugee Issue outlines and analyzes the various aspects that together created the mosaic of the refugee problem with which Israel has since had to contend These aspects include issues of repatriation resettlement compensation blocked bank accounts internal refugees and family reunification Drawing on extensive archival research this book uses documents from Israeli government meetings from the Foreign Affairs and Defense Committee and files from the office of the Prime Minister's advisor on Arab affairs to address the many diverse aspects of this topic and will be essential reading for academics and researchers with an interest in Israel the Middle East and political science more broadly

The Birth of the Palestinian Refugee Problem, 1947-1949 Benny Morris, 1987 This book is the first full length study of the birth of the Palestinian refugee problem Based on recently declassified Israeli British and American state and party political papers and on hitherto untapped private papers it traces the stages of the 1947-9 exodus against the backdrop of the first Arab Israeli war and analyses the varied causes of the flight The Jewish and Arab decision making involved on national and local levels military and political is described and explained as is the crystallisation of Israel's decision to bar a refugee repatriation The subsequent fate of the abandoned Arab villages lands and urban neighbourhoods is examined The study looks at the international context of the war and the exodus and describes the political battle over the refugees fate which effectively ended with the deadlock at Lausanne in summer 1949 Throughout the book attempts to describe what happened rather than what successive generations of Israeli and Arab propagandists have said happened and to explain the motives of the protagonists

The UN and the Palestinian Refugees Edward Henry Buehrig, 1971 This book originally published in 1971 traces the history of how the Palestinian refugees became a UN charge and the status and subsequent activities of the United Nations Relief and Works Agency for Palestine Refugees in the Near East UNRWA until 1971 The author begins with the activities of the

Conciliation Commission established by the General Assembly in 1948 and its attempts to solve the refugee problem through repatriation compensation and resettlement Professor Buering then examines the constitutional origins of UNRWA and compares these origins with certain other UN bodies constituted under Article 22 of the United Nations Charter in terms of structure policy determination and mode of operation In his analysis of how UNRWA adapted to local circumstances the author analyzes corporate and staff immunity from territorial authority to show UNRWA's struggle to keep clear of the fiscal regulations of individual governments and to maintain effective control over personnel The study also focuses on the Agency's programs in economic rehabilitation relief and health and education The last chapter deals with UNRWA's budgetary procedures and relations with contributing governments Appendices include a Proposal Resolution and Convention relating to the Agency and its activities

Palestinian Refugees and the Peace Process Elia Zureik, 1996 *Perspectives on Palestinian Refugee Repatriation* Rex Brynen, 2004 *Israel and the Palestinian Refugees* Eyal Benvenisti, Chaim Gans, Sari Hanafi, 2007-02-17 This edited book offers diverse perspectives on the Palestinian refugee problem and the possible ways to facilitate its resolution The book contains contributions of Israeli Palestinian and other scholars and its main goal is to initiate an informed dialogue that will bridge the knowledge gap between the different camps The book is the culmination of a joint effort to assist people to realize how people on the other side envision the problem and the possible ways to resolve it and to gain a comparative perspective on refugee problems and their resolution efforts in other parts of the world The contributors come from diverse disciplines and backgrounds and their various contributions provide a comprehensive picture of the various aspects of the problem and of the possible means of its resolution The Palestinian refugees problem is perhaps the most acute challenge to a peaceful settlement of the Israeli Palestinian conflict It is a challenge that scholars must address in a calm and detached manner but at the same time a deeply emotional matter that even the most sophisticated scholars find difficult to engage without compromising their academic integrity Despite these difficulties we undertook the task of convening a meeting where the papers were presented and of the publication of this book because we think the contributions in this book provide perspectives that contribute to the initiation of a constructive dialogue among the relevant communities

The Palestinian Refugees Joseph Ginat, Edward Joseph Perkins, 2001 There has been little progress on the refugee problem because of official Palestinian public positions other Arab countries approach to the right of return of all Palestinian refugees and the contrasting Israeli public policy of not allowing any refugees to return to Israel Such polar opposite approaches can never resolve this difficult and longstanding humanitarian problem By working collectively the world's leading experts from Arab countries the Palestinian Authority Israel Europe and the United States have developed a chessboard of proposed solutions The volume in part reflects the polarization that exists on the issue and in part moves away from the political slogans of both sides toward concrete proposals for negotiating a comprehensive agreement

Palestinian Refugee Negotiations Salim Tamārī, 1996 **Survey of Palestinian Refugees and Internally Displaced Persons**, 2003

The Palestinian Refugees J. Ginat, Edward Joseph Perkins, 2001 As violence escalates in the Middle East a peace agreement between Israel and Palestine seems more elusive than ever Yet one thing remains clear without constructive dialogue such an agreement cannot occur This timely volume presents just such a dialogue It brings together opinions perspectives and research focused on one of the region s most complex and volatile problems the Palestinian refugee situation Based on a 1999 conference at the University of Oklahoma International Program Center Palestinian Refugees combines contributions from Israelis Palestinians Jordanians Egyptians Americans and Europeans In addition to focusing on the Palestinian refugees the essays present various proposals for solving the Palestinian problem Organized in two parts the volume presents both scholarly essays and position papers The scholarly essays place current issues in historical context and explore the Palestinian belief in the right of return and questions of appropriate compensation The position papers focus on policy and offer a variety of perspectives Concluding the volume is a special essay on public polls that gauge how Palestinians and Israelis view the circumstances of Palestinian refugees and what they feel about possible solutions **The 1948 Palestinian Refugees and the Individual Right of Return** Gail J. Boling, Badil Resource Center for Palestinian Residency & Refugee Rights, 2007

While this might not be the Palestinian Refugee Repatriation Palestinian Refugee Repatriation full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Palestinian Refugee Repatriation Palestinian Refugee Repatriation eBooks, including some popular titles.

FAQs About Palestinian Refugee Repatriation Palestinian Refugee Repatriation Books

What is a Palestinian Refugee Repatriation Palestinian Refugee Repatriation PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Palestinian Refugee Repatriation Palestinian Refugee Repatriation PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Palestinian Refugee Repatriation Palestinian Refugee Repatriation PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Palestinian Refugee Repatriation Palestinian Refugee Repatriation PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Palestinian Refugee Repatriation Palestinian Refugee Repatriation PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
