Chiromancy is the study and interpretation of the human palms. However, one cannot master the art of palm reading easily or be proficient in a quick period of time just by studying the basics of palmistry or reading a book about it. Like any other things, time, practice, willingness, and experience will make you better and more proficient. It is an art that withstood the test of time, a practice that has been passed on for many generations and in one way or another affected how people live their lives. If you or any of your friends and family is interested about this subject, this book will provide you with a wealth of information about Palmistry or otherwise known as Chiromancy: its basics, its significance, its rich history, the different interpretations, the different meanings, its logical structure, and so much more. Get ready to understand your life at present and be able to predict your future just like many ancient palm readers that came before you.
