marketplace this guide offers professionals a comprehensive roadmap for direct marketing success across today s multiple marketing channels *Hyperculture* Stephen Bertman,1998-04-30 The rampant illnesses of our society including the disintegration of the family the degradation of the environment unlimited commercialism and unrelenting stress are familiar to us all For the first time Stephen Bertman attempts to explain these disparate overwhelmingly negative phenomena with a single unifying principle that the accelerated pace of American society is eroding the essence of our most fundamental values

In 1970 Alvin Toffler identified a psycho biological disease he called future shock caused by too much change in too short a time Now Bertman daringly diagnoses an even more serious condition hyperculture a chronic warping of morals and ethics caused by America s addiction to speed The treatment he argues in this book will require nothing less than a drastic slowdown we must reassert control over the technologies that now dominate us in order to insure a humane future for our children and ourselves We live according to Bertman in a society ruled by the power of now a power that gives us instant gratification even as it demands our instantaneous obedience As a result we have adapted our lives and values to match the speed of light electronic technologies that surround us But in so doing we have paid a high price in spirit and mind Cut off from the wisdom of the past and too rushed to consider the consequences of our actions we are caught up in a culture of

sensationalism and transience in which the very definitions of personal identity and democracy are being transformed Hyperculture dares to suggest that the cure for our condition lies not in an information superhighway or third wave information revolution but in the radical and painful process of decelerating our lives enough to reclaim them It is a daunting challenge to be sure but one on which our happiness and even our survival depend *Selling Power* ,2006 *Do-it-yourself Retailing* ,1989 *More Secrets* Boardroom's Experts and Editors Staff,1994-07 *California '96* ,1995 *Adweek* ,1992

**Chain Store Age** ,2001 *Strategic Advertising Management* Larry Percy,John R. Rossiter,Richard H. Elliott,2001 The second edition of Percy and Elliott's Strategic Advertising Management continues to deal with advertising from a strategic rather than simply a descriptive standpoint and covers all the main topics on an Advertising Management module The authors firstly address what advertising is meant to do and then go on to provide an understanding of what is necessary in the development of effective advertising and promotion The text has been fully updated and revised to include expanded chapter introductions and explicit key concepts The chapters on Developing a Communication Strategy and Processing the Message have been significantly expanded as has the concluding part Integrating Advertising and Promotion The authors use numerous examples of successful advertising images and a number of extended case histories to illustrate the application of the various theories discussed Accompanying the new edition is a companion web site containing for lecturers PowerPoint slides with selected figures from the text and suggested classroom exercises and for students web links and additional questions Book jacket
