[Media Libraries in an Age of Unending Consumption](#) Mike Van Esler, 2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that

media libraries have grown beyond their usages from the pre home video era to become central to today's corporate media strategy. By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger media industry trends. Ultimately this book explores the intersection of corporate media, independent distributors, private equity tech companies and audiences. Scholars of media studies, business and sociology will find this book of particular interest.

Storm Stayed Yvonne Rediger, 2024-08-01. Welcome back to Musgrave Landing. Accessible by ferry across the Samsam Narrows, this island village is home to some quirky characters and some even odder visitors. Sometimes the visitors bring misfortune with them and other times the villagers supply their own brand of trouble. Whether the people are locals or from away, apparently a few are capable of murder. Maisy Wyatt is on loan from Jane's Eats Treats to Mrs Roque. The housekeeper has a grand vision for the Highmere House Conference Centre. She has spared no expense with the food or service for the minor literary celebrities who will be their first guests. It won't matter if the December weather turns bad; it takes a lot to faze Mrs Roque. The other new employee, Tiffany Zach, will work alongside Maisy to care and feed a cantankerous group of authors from Dunn Wolf Publishing. The situation doesn't improve when the lead author and owner of the publishing house, Ziola Nutt, announces she has a six-figure media contract with a video streaming company. This news causes shock, disappointment and anger among the rest of the writers when they find out she will not give them credit for their work nor any of the royalties. Worse still, the electricity goes out during a nasty storm. Cell phones are going dead, roads are blocked by fallen trees and ferry traffic is halted. No one can get off the island. Not even the murderer.

Editorial Review: Nancy M Bell. Murder and mystery are afoot in storm-swept Musgrave Landing. The power is out and a king tide is in. An unexpected visitor and an eclectic group of guests at Highmere House Conference Centre add to the chaos and confusion enveloping this small British Columbia village. Fans of cozy mysteries will love this book. A great read.
