## Michael Hamburger Reader:

*Michael Hamburger Reader* Michael Hamburger, 2014      From Charlottenburg to Middleton Joyce Crick, Martin Liebscher, Martin Swales, 2010 This volume explores Hamburger's poetry and creative prose his translations the person and his world His scholarly writing was one element in his work his jargon free criticism retaining an undiminished urgency freshness and vital literacy His poetry ranges itself against the tracks and mechanisms of monstrous order and seeks to mark out a territory where some kind of value can be disclosed both within and beyond the poetry As a translator Hamburger asks the reader to hear between the lines of English poetry the German text the text that stretches the length and changes the rhythm of the English sentence These essays take the reader to the heartland of Hamburger's life and work and look at two very different attempts to capture his world on film The volume is illustrated by stills from Frank Wierke's acclaimed documentary *Ein englischer Dichter aus Deutschland* 2007      *Chicorel Index to the Spoken Arts on Discs, Tapes and Cassettes* Marietta Chicorel, 1974      *A Mug's Game* Michael Hamburger, 1973      *Chicorel Index to Short Stories in Anthologies and Collections* Marietta Chicorel, 1973 Volume 7 of the series volume 1 of the set lists performances and readings of full plays significant abridgements and excerpts from plays that have been recorded Series volume 7A volume 2 of the set is a companion volume to volume 7 with an emphasis on recorded poetry Series volume 7B volume 3 of the set adds approximately 10 000 entries to the coverage of volumes 7 and 7A In addition short stories novels speeches commentaries conversations essays and readings have been indexed in these volumes      A Reader's Guide to the Narrative and Lyric Poetry of Thomas Lovell Beddoes Rodney Edgecombe, 2015-10-05 Beddoes poses a peculiar problem for critics and scholars who wish to redress the marginal position that he occupies in the Romantic canon a problem seemingly unique to him and created in part by his misconception of his own strengths as a writer An extremely good poet who had things turned out differently might have functioned as a missing link between Keats and Tennyson he fatally divided his attention between verse and medicine a discipline that by his own admission made in the poem composed for Zo King served to wither his creative gift This fission of energy was bad enough but more damaging still was his misconception of metier for whatever mental resources remained to Beddoes after gruelling days in the classroom he invested in writing an unstageable drama instead of in his primary gift for lyric verse Whereas the Beddoes revival that has been gathering momentum in recent years has centred on *Death's Jest Book* the play onto which the poet directed some might say misdirected so much of his creative energy this study focuses wholly on his lyric and narrative verse much of which has received short critical shrift It follows the sequence of poems set out in the Donner edition and focuses on their verbal richness and inventiveness as they unspool upon the page      **Michael Hamburger in Conversation with Peter Dale** Michael Hamburger, Peter Dale, 1998 LITERATURE CRITICISM MEMOIRS LETTERS POETRY      **Comparative Criticism: Volume 2, Text and Reader** E.  that satire and criticism should not be party political In 1994 he published his *Selected Poems* with Bloodaxe and his essays  
 on new world disorder *Civil War* with Granta In *Kiosk* his subsequent collection he draws on his wide knowledge of the  
 scientific and technical developments of the last half century yet comes out on the other side of extreme scepticism on the  
 side of poetry and poetry's negative capability a kind of unknowing Though never a confessional poet he has won through to  
 the freedom to draw on intimate experience too However disillusioned now about public issues he remains a poet of defiance

As well as being Germany's most important poet, he is a provocative cultural essayist and one of Europe's leading political thinkers. No British poet can match him in his range of interests and his moral passion. Enzensberger's *Selected Poems* draws on several collections published during the past thirty years right up to his most recent book *Music of the Future*. It includes a large selection from *The Sinking of the Titanic*, his last British collection which *The Guardian* called a brilliant fantasia on the foundering of western society. For George Szirtes writing in the *New Statesman*, it was a dramatic and philosophical statement of compulsive power: our emotions and our reason are driven along together as in the best of Brecht. We hear in Enzensberger the human voice amongst human voices, feel the extraordinariness of ordinary men. **Circling the Square** Michael Hamburger, 2007
