and a wide range of texts Water Music Ian Bradley,2010-02-22 Water Music is an ideal read for those who frequent summer music festivals the world over Many of these festivals began during the cultural heyday of spas and watering places throughout Europe and the United States when music making was entertainment and therapy for both patrons and composers themselves In his typical witty and winning style author Ian Bradley himself somewhat of a celebrity across the festival world for his expertise and involvement in the Gilbert Sullivan operetta phenomenon tells the story of the many well known composers who came to these pioneer resorts between the early eighteenth and the mid twentieth centuries Good Morning Charlie Dukes,1997 One combat soldier s experience as an infantryman on the front lines of World War II Europe as a prisoner of war in a German work camp then as a prisoner of another sort in a Russian detention camp and as a displaced disillusioned veteran after the war s end This is author Charlie Dukes own story of his perilous horrific and heart breaking journey but one that was also ultimately triumphant **The Time of the Corncrake** Kevin M. McDermott,2004 The Time of the Corncrake is about the author s life as he grew up from boy to man in the austere conditions that existed in Ireland in the 1940s and 1950s Although it is a serious informative and sometimes sad account of growing up in a small Irish town it is also full of humour He tells in great detail of his schooldays his teenage years and his inevitable migration to England He also writes from an Irish perspective of his time in the Royal Air Force and of his first year in his chosen career the London Fire Brigade Digital First Kewyn Walter George, A M S Pandian, Dr. Aditi Mukhopadhyay,2017-03-14 The book is a guide to Digitalization for novices and pros alike When everything you know is digital what is this hue and cry about going digital Let us give you a heads up the prelude does not even come close to what is yet to come While we take you by your hand through this journey of the digitalworld we will introduce you to the perpetual evolution of it In the world that is embracing digitalization it will no longer suffice to stick to the old ways While striking a balance is essential imbibing the culture of digitalization will be essential Let us outline to you the digital frameworks you could adopt to stay as well move ahead in the competition Enjoy the ride *Death in Pretoria* Peter Auf der Heyde,2025-06-01 Between 1960 and 1989 in South Africa more than 130 people were executed for crimes that had a political motive Who were they what did they do and why did they do it While many people have heard of Solomon Mahlangu John Harris or Vuyisile Mini the vast majority of executed activists remain very much unknown even though they paid the ultimate price for their actions This book tells their stories drawing on the author s interviews with fellow activists the families left behind lawyers on both sides judges who passed sentence warders on death row and even functionaries tasked with informing the condemned of their impending fate In the process the book sheds light on forgotten aspects of South African history such as the actions of the PAC Poqo in the 1960s which resulted in dozens of executions and people who heeded the ANC s call to make the country ungovernable in the 1980s and who were then disowned by the organisation The book also makes startling revelations about miscarriages of justice defence attorneys working against their clients and sadly the post apartheid state s neglect of those who suffered as a result of

political executions Death in Pretoria is a vital contribution to South African history shifting the focus from the leaders of the struggle to the foot soldiers who carried out their orders

GastroNaughties' Gallivant - Sipping'n Snacking California Central Coast and Las Vegas BuzzzzOff,2015-09-01 Sipping n Snacking California Central Coast and Las Vegas When planning a visit to our family in the USA we decided initially to parachute into California and Las Vegas for some sipping and snacking and catching up with old friends After all flying to the east coast of the USA from our home requires several somewhat grueling flights and layovers and more than a day of travel if you are inclined to do so in one go Well we were in no hurry and we detest hibernating in airplanes and airports for more than 36 hours actually we simply consider them a necessary evil Thus we sat down more than three months in advance to plan our trip to California and Las Vegas Searching clicking Google mapping and generally learning that California is one very HUGE state It was fun educational and offered ample justification to sip good wine during the day as well as evening We started in San Francisco worked our way south along US1 through the Central Coast Big Sur Paso Robles and Santa Barbara and thereafter across the Mojave Desert to Las Vegas sipping n snacking along the way GastoNaughties Gallivant Sipping n Snacking California Central Coast and Las Vegas is not our first road trip Trust us the first trip will include a lot more Ooops and Do s and Don t We like to learn by experience It is however our shortest trip Hence our first effort to publish together all our notes and photos We are working on publishing GastroNaughties Gallivant for other destinations Stay tuned to this Bat Channel Hope you have as much fun reading this book as we had gallivanting Until next time Bon Vivant Warning Our comments are based on our personal opinions are not subject to the influence of others and well we occasionally can be brutally honest for which we do not apologize
