

# Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functional.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

*Hacking Health* Mukesh Bansal, 2023-01-19 We live in a world where there is a new fad diet superfood supplement or nutrition theory every month. There are so many tricks to optimizing workouts, peak performance, burning fat, living longer, sleeping better, and biohacking your immune system. Wellness has become a part of mainstream discourse like never before, and the result is an overwhelming barrage of seemingly contradictory information. But here's one simple truth: good health impacts every aspect of life, be it productivity at work, interpersonal relationships, or a balanced family life. In *Hacking Health*, Mukesh Bansal takes on the mammoth task of demystifying the science, simplifying the research, and tracing the story of our relationship with our body. Through a combination of personal experience and cutting-edge science, this is a book that draws from ancient wisdom and also debunks unscientific myths to help you make smart choices in pursuit of good health. From nutrition and fitness to sleep and immunity, weight management and mental health to ageing and longevity, this book delves into the breadth and depth of holistic health and helps you navigate the lines between science and pseudoscience. Can we use science to hack the human body's functioning and be our most efficient, fittest, and happiest selves? *Hacking Health* takes a 360-degree approach to answer this very question and help you unlock your body's potential.
