

**ENGLISH TEST**  
**45 Minutes—75 Questions**

**DIRECTIONS:** In the five passages that follow, certain words and phrases are underlined and numbered. In the right-hand column, you will find alternatives for the underlined part. In most cases, you are to choose the one that best expresses the idea, makes the statement appropriate for standard written English, or is worded most consistently with the style and tone of the passage as a whole. If you think the original version is best, choose "NO CHANGE." In some cases, you will find in the right-hand column a question about the underlined part. You are to choose the best answer to the question.

You will also find questions about a section of the passage, or about the passage as a whole. These questions do not refer to an underlined portion of the passage, but rather are identified by a number or numbers in a box.

For each question, choose the alternative you consider best and fill in the corresponding oval on your answer document. Read each passage through once before you begin to answer the questions that accompany it. For many of the questions, you must read several sentences beyond the question to determine the answer. Be sure that you have read far enough ahead each time you choose an alternative.

**Mystery Paper Sculptor**

Between March and November of 2011, an

anonymous donor left intricately crafted paper sculptures  
at various cultural institutions in Edinburgh, Scotland.

Delighted, each sculpture was left secretly and was later  
discovered by staff. The delicate sculptures—streetscapes,  
plants, and animals—were carved exclusively from the  
pages and bindings of books. The tiny details in the  
pieces are awe-inspiring.

The first sculpture discovered—at the Scottish  
Poetry Library—was a tiny tree formed from a book  
of verse. Library staff dubbed it the "poetree." The  
tree sits atop a book. Beneath the tree are the halves of  
a golden paper egg, each half filled with words clipped  
from the poem "A Trace of Wings" by Edwin Morgan.

1. Which choice most effectively emphasizes the complexity of the paper sculptures?
  - A. NO CHANGE
  - B. impressively
  - C. terrifically
  - D. superbly
2. F. NO CHANGE  
G. Each sculpture was left secretly and later discovered by delighted staff.  
H. Left secretly and later discovered by staff, each sculpture was delighted.  
J. Secretly delighted, each sculpture was discovered by staff.
3. A. NO CHANGE  
B. specified  
C. adorned  
D. honored

**ACT Math: Breaking the Time Barrier** Vincent Ardizzone,2020-12-26 With faster solutions to over 400 ACT math problems modeled after real ACT questions from 10 ACT exams issued in the recent past this book will propel you to higher achievement on the math section of the ACT and a score you can be proud of The main obstacle on the ACT is the strict time limit Students erroneously believe that just reviewing their high school math topics and focusing on the hard problems from prior ACT exams is enough to do well on the test What they often fail to realize is that the greatest challenge is TIME Most students spend entirely too much time answering relatively simple questions on the test leaving little or no time to answer the harder ones Running out

of time not only forces you to randomly guess on many problems it puts an enormous psychological strain on you which greatly increases the chances of making careless mistakes on even the easy ones In this book I show you methods of answering the vast majority of ACT math questions quickly and accurately leaving you plenty of time to tackle the harder ones without having to randomly guess With sufficient time you can finally relax and get the score you deserve
