Frick, 2008 Examining Nixon's autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon's version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us

understand why we disagree about Nixon and why it matters how we resolve our disagreements BOOK JACKET
