Disney Plus Streaming Top Shows Review:

Reasserting the Disney Brand in the Streaming Era Robert Alan Brookey,Jason Phillips,Timothy Pollard,2023-04-07

Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney s acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney s catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology

Mainstreaming Gays Eve Ng,2023-09-15 Mainstreaming Gays examines a key transitional period linking the eras of legacy and streaming when queer production and interaction was transformed by the emergence of digital media the rising influence of fan cultures and increasing interest in LGBTQ content It is critical reading for those interested in media production fandom subcultures and LGBTQ digital media *Binge and Bingeability* Arienne Ferchaud,2020-10-15 Binge and Bingeability The Antecedents and Consequences of Binge Watching Behavior examines how the television industry has transformed over time to create the circumstances in which binge watching as a mass behavior can emerge and what role audiences have played in the rising prevalence of this behavior Arienne Ferchaud recognizing that this behavior did not spring fully formed from streaming services ties cultural approaches to binge watching with media psychology oriented theories including the concept of bingeability the likelihood that a specific show will be binge watched alongside the psychological impacts binge watching may have on viewers over time Scholars of media studies television studies sociology cultural studies and psychology will find this book particularly useful
