*Meme Media and Meme Market Architectures* Yuzuru Tanaka, 2003-07-10 This book provides an integrated view of the five kinds of enabling technologies in terms of knowledge media architectures multimedia and hypermedia object oriented GUI and visual programming reusable component software and component integration network publishing and electronic commerce and object oriented and multimedia databases Among many books on multimedia and hypermedia few address knowledge Of those that do none focus on media for the editing distribution and management of knowledge the way this book does It is written based on the hypothesis that knowledge media work as genes with their network publishing repository working as a gene pool to accelerate the evolution of knowledge shared in our societies

**Memes to Movements** An Xiao Mina, 2019-01-08 A global exploration of internet memes as agents of pop culture politics protest and propaganda on and offline and how they will save or destroy us all Memes are the street art of the social web Using social media driven movements as her guide technologist and digital media scholar An Xiao Mina unpacks the mechanics of memes and how they operate to reinforce amplify and shape today s politics She finds that the silly stuff of meme culture the photo remixes the selfies the YouTube songs and the pun tastic hashtags are fundamentally intertwined with how we find and affirm one another direct attention to human rights and social justice issues build narratives and make culture Mina finds parallels for example between a photo of Black Lives Matter protestors in Ferguson Missouri raising their hands in a gesture of resistance and one from eight thousand miles away in Hong Kong of Umbrella Movement activists raising yellow umbrellas as they fight for voting rights She shows how a viral video of then presidential nominee Donald Trump laid the groundwork for pink pussyhats a meme come to life as the widely recognized symbol for the international Women s March Crucially Mina reveals how in parts of the world where public dissent is downright dangerous memes can belie contentious political opinions that would incur drastic consequences if expressed outright Activists in China evade censorship by critiquing their government with grass mud horse pictures online Meanwhile governments and hate groups are also beginning to utilize memes to spread propaganda xenophobia and misinformation Botnets and state sponsored agents spread them to confuse and distract internet communities On the long winding road from innocuous cat photos internet memes have become a central practice for political contention and civic engagement Memes to Movements unveils the transformative power of memes for better and for worse At a time when our movements are growing more complex and open ended when governments are learning to wield the internet as effectively as protestors Mina brings a fresh and sharply innovative take to the media discourse

**Meme Wars** Kalle Lasn, Adbusters, 2013-01-15 From the editor and magazine that started and named the Occupy Wall Street movement Meme Wars The Creative Destruction of Neoclassical Economics is an articulation of what could be the next steps in rethinking and remaking our world that challenges and debunks many of the assumptions of neoclassical economics and brings to light a more ecological model Meme Wars aims to accelerate the shift into this new paradigm that

takes into account psychonomics bionomics and other aspects of our physical and mental environment that are often left out in discussions of economics Like Adbusters the book will be image heavy and full color throughout Lasn calls it a textbook for the future that provides the building blocks in texts and visuals for a new way of looking at and changing our world Through an examination of alternative economies Lasn hopes to spur students to become barefoot economists and to see that a humanization of economics is possible Meme Wars will include contributions from Nobel Prize winner Joseph Stiglitz Paul Samuelson George Akerlof Lourdes Bener a Julie Matthaei Manfred Max Neef David Orrell Paul Gilding Mathis Wackernagel and the father of ecological economics Herman Daly among others Based on ideas that were presented in a special issue of Adbusters entitled Thought Control in Economics Beyond the Growth Paradigm An Activist Toolkit Meme Wars will help move forward the Occupy Wall Street movement **ParaMEME** William N.
