## Michael Macdonagh Introduction Redmond Classic:

**John Redmond** Dermot Meleady,2018-02-05 Dermot Meleady s authoritative second part of his full length biography of John Redmond the first to be published in 80 years begins in 1901 shortly after his election as chairman of the Irish Parliamentary Party in the Westminster Parliament and ends with his death in 1918 The book details Redmond s reconstruction of the Party following its reunification after the destructive decade long Parnell split and his refashioning of it as a political weapon for winning Irish Home Rule It follows his role in successfully passing the Conservatives 1903 Land Purchase Act which greatly accelerated the transfer of land ownership from Irish landlords to Irish farmers His successes and failures in the years of the 1906 10 Liberal Government are also fully documented but when the Liberals move in 1911 to remove the House of Lords veto the stage is set for the passage of the third Home Rule Bill the paramount goal of Redmond s endeavours The events of the following turbulent five years the increasingly militant resistance of Ulster Unionism to Home Rule the outbreak of the Great War and the unforeseen Easter Rising in Dublin in 1916 as much a blow against Home Rule as against British rule cast him down from triumphant prime minister in waiting to the status of Ireland s lost leader Through exhaustive research in Redmond s personal papers Dermot Meleady has produced the definitive story of one of the most tragic figures in twentieth century Irish political history

*Irish Novels 1890-1940* John Wilson Foster,2008-02-21

Studies of Irish fiction are still scanty in contrast to studies of Irish poetry and drama Attempting to fill a large critical vacancy Irish Novels 1890 1940 is a comprehensive survey of popular and minor fiction mainly novels published between 1890 and 1922 a crucial period in Irish cultural and political history Since the bulk of these sixty odd writers have never been written about certainly beyond brief mentions the book opens up for further exploration a literary landscape hitherto neglected perhaps even unsuspected This new landscape should alter the familiar perspectives on Irish literature of the period first of all by adding genre fiction science fiction detective novels ghost stories New Woman fiction and Great War novels to the Irish syllabus secondly by demonstrating the immense contribution of women writers to popular and mainstream Irish fiction Among the popular and prolific female writers discussed are Mrs J H Riddell B M Croker M E Francis Sarah Grand Katharine Tynan Ella MacMahon Katherine Cecil Thurston W M Letts and Hannah Lynch Indeed a critical inference of the survey is that if there is a discernible tradition of the Irish novel it is largely a female tradition A substantial postscript surveys novels by Irish women between 1922 and1940 and relates them to the work of their female antecedents This ground breaking survey should also alter the familiar perspectives on the Ireland of 1890 1922 Many of the popular works were problem novels and hence throw light on contemporary thinking and debate on the Irish Question After the Irish Literary Revival and creation of the Free State much popular and mainstream fiction became a lost archive neglected evidence indeed of a lost Ireland
