**Hacking the Boardroom** Ralph Ward, 2025-09-01 It's scary in the boardroom. Global board members now face punishing hands on oversight demands for risk, technology, liability, diversity and sustainability. Yet the board of directors system, our universal governance model, was never designed for such a demanding tactical role. Board members urgently need solid tips, tools and advice to make this exploding governance transition survivable. Ralph Ward's new book gathers these first-hand, best practice boardroom hacks from around the world: intelligence that boards must have now to do a better oversight job with less time, less effort and fewer legal dangers. These are how-to insights from front-line board members, CEOs, corporate staffers, top consultants and legal advisors. Such intelligence is learned the hard way through trial and error in most boardrooms. Now readers can discover this valuable boardsmanship insight collected in a single volume. Topics include: What are the hottest new demands on boards: tech oversight, risk, ESG, etc. and how are boards managing them? How on earth does a director absorb the huge amount of data, reports and research required for governance now? How board committees are taking on the heavy lifting of oversight and blueprints for committee management? How smart boards and staff are turning technology, online board portals and meetings and AI into practical tools to shake up meetings? What's sticky behind boardroom doors: leadership, liability, personal and process flashpoints bring the most danger and how are directors resolving them?

Modern Parents, Vintage Values, Revised and Updated Sissy Goff, Melissa Trevathan, 2020-06-09 Why is anxiety so rampant among kids today? What's the magic age for giving my child his first cell phone? Her first social media account? How do I teach my teenager things like gratitude and respect in such an entitled and disrespectful world? Melissa Trevathan and Sissy Goff hear these types of questions on a daily basis in their counseling offices and at parenting events across the country. Today more than ever before we live in a culture that is at war against our parenting. And today more than ever before we're meeting parents who feel lost as to how to help. This book does just that. It addresses the issues we hear parents struggling with the most when it comes to raising their children: technology, disrespect, entitlement, substance abuse, anxiety, depression, etc. but it doesn't stop there. Melissa and Sissy move through those modern-day troubles to get back to the vintage values we all deeply value in the lives of kids. They help you discover whether your child is a toddler or a teenager, what it looks like to cultivate kindness, gratitude, integrity, responsibility and more in the lives of the kids you love. *Modern Parents Vintage Values* offers you a roadmap, a way through the hurdles you are facing today in your parenting, helping you discover more of how to instill those true foundational vintage values that will make a lasting difference in the lives of your kids: values that are built upon an unshakeable foundation of faith and hope. And that's ultimately where this map will lead to Christ and to what it looks like for both you and your kids to have hope in Him in these changing times. *The New Yorker*, 2006 **The Washington Post Index**, 2008 *Inside Flyer*, 2007 **F&S Index United States Annual**, 1999 **The Media in Your Life** Jean Folkerts, Stephen Lacy, 2004 What do reviewers have to say about *Media in Your Life*?
