everyday language From AARON HENRY onward this book covers all of what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs Total Hockey Dan Diamond,Ralph Dinger,1998 An encyclopedia dedicated to hockey that includes entries on the history of the game the rules the teams in the National Hockey League the major tournaments and other related topics *The Death of Hockey, Or, How a Bunch of Guys with Too Much Money and Too Little Sense are Killing the Greatest Game on Earth* Jeff Z.
