Open Wide How Hollywood Box Office Became A National Obsession:

Open Wide Dade Hayes, Jonathan Bing, 2004-09-22 How is a blockbuster made All it takes is three days Friday Saturday and Sunday Opening weekend at the height of the summer blockbuster season is a gruelling ordeal for studio execs and marketers In *Open Wide* Hayes and Bing take the reader behind the scenes during the first 72 hours of a film's release They also explore the main phases in the life of a film and also offer a personal look at all the filmmakers actors producers and executives that help bring these films to the cinema This really is the first book to examine in depth the importance of the opening weekend

Interrogating Datafication Marcus Burkhardt, Daniela van Geenen, Carolin Gerlitz, Sam Hind, Timo Kaerlein, Danny Lämmerhirt, Axel Volmar, 2022-10-07 What constitutes a data practice and how do contemporary digital media technologies reconfigure our understanding of practices in general Autonomously acting media distributed digital infrastructures and sensor based media environments challenge the conditions of accounting for data practices both theoretically and empirically Which forms of cooperation are constituted in and by data practices And how are human and nonhuman agencies distributed and interrelated in data saturated environments The volume collects theoretical empirical and historiographical contributions from a range of international scholars to shed light on the current shift from media to data practices

Killer Tapes and Shattered Screens Caetlin Benson-Allott, 2013-03-22 Since the mid 1980s US audiences have watched the majority of movies they see on a video platform be it VHS DVD Blu ray Video On Demand or streaming media Annual video revenues have exceeded box office returns for over twenty five years In short video has become the structuring discourse of US movie culture *Killer Tapes and Shattered Screens* examines how prerecorded video reframes the premises and promises of motion picture spectatorship But instead of offering a history of video technology or reception Caetlin Benson Allott analyzes how the movies themselves understand and represent the symbiosis of platform and spectator Through case studies and close readings that blend industry history with apparatus theory psychoanalysis with platform studies and production history with postmodern philosophy *Killer Tapes and Shattered Screens* unearths a genealogy of post cinematic spectatorship in horror movies thrillers and other exploitation genres From *Night of the Living Dead* 1968 through *Paranormal Activity* 2009 these movies pursue their spectator from one platform to another adapting to suit new exhibition norms and cultural concerns in the evolution of the video subject

The Way Hollywood Tells it David Bordwell, 2006
Publisher description **The Atlantic Monthly**, 2005 *The Publishers Weekly*, 2008 **Introduction to Film** Nick Lacey, 2016-04-28 This core textbook offers a concise yet complete introduction to film responding to shifts in the medium while addressing all of the main approaches that inform film studies The rise of on demand internet based video has transformed the way films are distributed and exhibited with many previously unobtainable and obscure films becoming available for global audiences to view instantly Interweaving historical and current theoretical approaches Nick Lacey presents a tightly focused and coherent overview of a discipline in transition which can be read cover to cover or in distinct

chapters With its original narrative line and student oriented philosophy the text greatly enriches student s appreciation of cinema while equipping them with the essential skills and vocabulary to succeed in film studies This is an ideal foundational text for all lecturers undergraduate or A level students of film and cinema studies as well as enthusiasts of film and cinema looking for a comprehensive guide New to this Edition Content reflecting the increasing importance of production contexts in chapters focusing exclusively on the film business distribution and exhibition A more detailed chapter on representation and greater emphasis on audience Updated content addressing the significance of transnational cinema drawing on a more global non Hollywood range of film examples and case studies from Europe Asia and Latin America Text is broken up by a wider variety of film stills representing world cinema from the classics to the latest in contemporary cinema **Film Firsts** Ethan Alter,2014-02-17 This forward looking exploration of contemporary American film across the last 40 years identifies and examines the specific movies that changed the film industry and shaped its present and future Since the mid 1970s American cinema has gone through enormous changes such as the birth of the modern summer blockbuster the rise of the independent film industry ongoing technological advancements in special effects and the ever evolving models for film distribution Written by a professional film critic and film buff this book tells the story of contemporary American cinema in a unique and engaging way by examining 25 key movies that demonstrated a significant creative technological or business innovation that impacted the industry at large Each chapter in this chronological survey of contemporary film is divided into two sections The Film which offers a critical overview of the film in question and The First which describes the specific innovation achieved by that film and places that achievement in the larger historical context Two additional appendices in each chapter explore other significant aspects of both the film and its groundbreaking nature The broad coverage ranging from action movies to horror films to science fiction favorites ensures the work s appeal to all film fans *Faith in America [3 Volumes]* Charles H. Lippy,2006-09-30 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life With an influx of immigrants from Asia Latin America and other regions the diversity of religion has grown to include Buddhism Hinduism Islam and other faiths Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general Women have entered the clergy in record numbers and the push for allowing women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase In addition gay couples are leading the same sex marriage movement and other social issues

such as abortion stem cell research end of life care etc are still being debated Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life So much has changed and faith in America has become more important than ever as part of our culture our way of life and the way we relate to each other and the world around us The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world **The Media of Mass Communication** John Vivian,2007 This 30stjubilee volume 2010 of Palaeoecology of Africa looks back and reflects the state of the art of what is actually known on former African climates and ecosystems in the format of review articles authored by specialists in the field New research articles on climate and ecosystem dynamics as well as applied topics on geomorphic hazards and future environmental trends in Africa are included This book will be of interest to all concerned with ecosystems dynamics tropical forests savannahs deserts and related development problems of third world countries especially ecologists botanists earth scientists e g Quaternary and recent climate change regional planners It will also be valuable for advanced undergraduates and postgraduates as a reference for review and overview articles as well as a source of information for new original manuscripts and reviews on the state of the art of long term and Quaternary and Holocene landscape evolution esp in subsaharan Africa Palaeobotanists Palynologists and Quaternarists will equally find this edition useful for their work **The New York Times Index** ,2005
