Lovett, Rachel Jessica Daniel, Kelly N. Giles, 2022-11-29 This volume offers a panoramic view of Black feminist politics through the stories of Black women who attended the 1977 National Women's Conference placing the diversity of Black women's experiences and their leadership at the center of the history of the women's movement **The Crisis**, 2003-07 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens **She Can Bring Us Home** Diane Kiesel, 2019-03-01 Long before it became the slogan of the presidential campaign for Barack Obama Dorothy Ferebee 1898 1980 lived by the motto Yes we can An African American obstetrician and civil rights activist from Washington DC she was descended from lawyers journalists politicians and a judge At a time when African Americans faced Jim Crow segregation desperate poverty and lynch mobs she advised presidents on civil rights and assisted foreign governments on public health issues Though articulate visionary talented and skillful at managing her publicity she was also tragically flawed Ferebee was president of the Alpha Kappa Alpha black service sorority and later became the president of the powerful National Council of Negro Women in the nascent civil rights era She stood up to gun toting plantation owners to bring health care to sharecroppers through her Mississippi Health Project during the Great Depression A household name in black America for forty years Ferebee was also the media darling of the thriving black press Ironically her fame and relevance faded as African Americans achieved the political power for which she had fought In *She Can Bring Us Home* Diane Kiesel tells Ferebee's extraordinary story of struggle and personal sacrifice to a new generation **The End of American Childhood** Paula S. Fass, 2017-11-07 How American childhood and parenting have changed from the nation's founding to the present *The End of American Childhood* takes a sweeping look at the history of American childhood and parenting from the nation's founding to the present day Renowned historian Paula Fass shows how since the beginning of the American republic independence self definition and individual success have informed Americans attitudes toward children But as parents today hover over every detail of their children's lives are the qualities that once made American childhood special still desired or possible Placing the experiences of children and parents against the backdrop of social political and cultural shifts Fass challenges Americans to reconnect with the beliefs that set the American understanding of childhood apart from the rest of the world Fass examines how freer relationships between American children and parents transformed the national culture altered generational

relationships among immigrants helped create a new science of child development and promoted a revolution in modern schooling She looks at the childhoods of icons including Margaret Mead and Ulysses S Grant who as an eleven year old was in charge of his father's fields and explored his rural Ohio countryside Fass also features less well known children like ten year old Rose Cohen who worked in the drudgery of nineteenth century factories Bringing readers into the present Fass argues that current American conditions and policies have made adolescence socially irrelevant and altered children's road to maturity while parental oversight threatens children's competence and initiative Showing how American parenting has been firmly linked to historical changes *The End of American Childhood* considers what implications this might hold for the nation's future **Library of Congress Information Bulletin** ,2004 *Freedom Facts and Firsts* Jessie Carney
